VOL. 17 NO. 25

St. Albert & Sturgeon Gazette

15c

This young lad must have been the youngest cowboy at the Kinsmen Rodeo last weekend, but he didn't let age stop him from taking an active part in all the work. He helped round up the steers and the calves, chased the horses in the pens and generally made himself useful. With as early a start as this boy has, he may be Rodeo Champion in a few more years.

Developers to contribute to administration costs

A policy of including in development agreements a cost recovery clause of \$25 per residential unit for planning, was considered by council at its regular meeting Monday evening. The recommendation came from the special meeting of the administration held June 7th.

Further recommendations requested a policy for subdivision other than residential to include a cost recovery fee, based on estimated costs of planning services provided.

A third recommendation called for recovery of costs incurred in the preparation of an outline plan and/or design brief for development areas.

Councillor Fyfe said she believed the \$25 was the "maximum we can charge," and the mayor replied that

Edmonton and Calgary were imposing various recovery costs "in this area."

The chief administrator suggested that the change be made for "administration," rather than for "just one aspect of the process of formulating development agreements." Coun. Fyfe moved an amendment to this effect. Motion to impose the recovery costs and motion to amend costs for planning to costs for administration services both carried 7-0.

development.

Council approved in principle the Akinsdale Stage 6 development, subject to several conditions. Motion carried 6-2 with Councillors Smith and Breadner opposed.

Akinsdale Stage 6 covers 13.63 acres and contains 66 single family residential lots. Development conditions Please Turn to Page 2

Wild ride ends in charge

Douglas Paul Belcourt of 28 Garden Crescent has been charged with driving while over .08 following a car-ceneing ride down Grenfell Avenue last Wednesday evening, June 16.

Southbound on Grenfell his car collided with a parked car near Gatewood which belongs to Michael Pickard of 19 Grenfell.

Proceeding on, Belcourt's car collided with four fences in the area, two light standards, a garage, a shed, a power box and several small trees.

Damage to the Pickard car was about \$100 and some \$700 to the Belcourt car, with total estimated damage at \$3,000.

An accident near Namao on a district road claimed the life of Dallas Colleen Solar, 19, of 5903-137 Avenue at approximately 2:30 p.m. Friday evening.

The car, a 1969 Chev was travelling northeast on a district road two miles south

of Namao and 1.8 miles west of Highway 28. It went out of control and overturned in a ditch, striking a power pole.

Miss Solar was a passenger in the car which was driven by Donna Mae Ingram, 18 years, of 7811-135A Avenue, Edmonton.

The St. Albert RCMP detachment report that the rodeo went off well with a minimum of complaints this year.

WARNING MOTORCYCLISTS

The detachment reminds motorcycle operators not to travel on boulevards, private roads, parks or on private property. Motorcycle operators must have the permission of the owner of any vacant property before they can operate their motorcycles on such property.

Persons not having the owner's permission are subject to prosecution.

MUNICIPAL PLANNING COMMISSION

Councillor Smith said she would oppose recommendations from M.P.C. approving in principle the development of Akinsdale Stage 6 North.

LARGE SUPPLY OF LOTS - SMITH

It is the intent to install services, she said, and begin building next year. "I feel this is premature. We have quite a large supply of reserve lots, which will probably not be used this year. The Akinsdale Stage 6 design is fine," she added, "but the staging is premature."

Mayor Plain drew to her attention the fact that no building permits would be issued until the fall of 1977. Councillor Thronson asked if this recommendation was due to servicing, and Coun. Breadner, M.P.C. chairman, replied that the developer had indicated he did not plan to start until the fall of 1977, and was prepared to accept this stipulation as a consideration of approval of the

Bridge park could become home of old police barracks

Quite a lot of discussion arose at Monday night's council meeting on a committee of the whole recommendation that council agrees "in principle" to the relocation of the old North-West Mounted Police Building to Bridge Park.

Coun. Breadner started it off by asking "What is the area of Bridge Park - or the developable area of the park." He didn't get a direct answer in acres.

Bridge Park is the area east of the highway bridge between the highway, the river and Sturgeon Road, extending N.E. as far as Burns Street.

The park area is approximately five acres.

Council Breadner then went back to budget discussions, when he noted a three-phase development of Bridge Park was discussed. We didn't see a map, which was pertinent to the discussion, he noted. And he asked, "was not the NWMP

building a consideration of the total budget for Bridge Park?"

Administrator Byron thought the budget discussion centered around a cost of \$16,000, funds for which would come mainly from the St. Albert Historical Society and the Province. Thus the moving was not a major budget consideration for the town, he added.

Councillor Breadner said "we plan 1/2 an acre for parking, but I could find

nothing in the three-phase development plan that was broken down for moving and for establishing the building itself. The point is, he said, that there is no money in the budget for moving the former NWMP barracks to Bridge Park. We have not made recommendations, and I am not happy with the location. We (council) are asked again for a quick decision (to argue in principle to the relocation to Please Turn to Page 2

Council says no to Tier II hockey

A motion by Coun. Breadner at Monday night's meeting to give Mr. Messier's Tier 2 hockey team the ice time used last year by the Junior Bruins was defeated when Councillors Thronson, Wetsch, Smith and Fyfe voted against the proposal.

Council had before them a memorandum from the Recreation Director to the Administrator with attached weekly schedules of arena use over the past two winters, plus a proposed schedule for the coming season, and a review of information from user groups and the Parks and Rec. Board.

This information contained a reference to the Parks and Rec. Board meeting in March, when it was reported Mr. Yanosik had a letter in to the Board that the Junior Bruins would require their usual ice allocation.

Council was informed that Ron Yanosik of the Junior Bruins had not advised the

recreation director by the deadline that he wanted ice time. Mr. March was reported as informing Mr. Yanosik that if he didn't hear, he would assume the Bruins would not be operating.

"We are dealing with ifs and buts, said Coun. Thronson. There are a number of groups who need any ice time they can get, such as minor hockey, figure and power skating. We do not know for sure about the Bruins. We have no choice but to notify Tier 2 that there is no ice available.

Coun. Breadner disagreed saying that "we made every effort regarding Yanosik. We know for sure about the Bruins ice time slot," he said.

This is the greatest slam ever against user groups, said Coun. Thronson - groups who have given years of service - it's a crying shame! With that he slammed his fist on the table. Please Turn to Page 2

The Cheremosh dancers from Edmonton performed a colourful and exciting series of Ukrainian folk dances at Lorne Akins Junior High School on Monday night. The dancing was part of a Ukrainian display organized by the students in the Ukrainian culture option available at the

school. Other items on display included the famous Ukrainian Easter eggs, ceramic plates, wood carvings, hand embroidered and cross-stitched work as well as art work from the school's art classes.

Costs

Cont'd from Page 1

include normal off-site cost levies and local improvements such as street lighting and survey control monuments, standard landscaping provisions including the landscaping of public reserve, boulevards, walkways and utility lots.

Survey control monuments are white painted posts grouped in three or four, forming part of a federal survey grid. These have precise measurements of height above sea level and horizontal tally, so that surveyors coming into a subdivision can start from the accurate control monuments.

In addition there is to be no occupancy until essential services including water are installed. (A situation which has caused council trouble in previous development, including occupancy prior to power service).

LAGOON PLANNING

A second recommendation from the M.P.C. meetings of June 1st and 10th called for some type of plan to be formulated for partial or overall development of the lagoon and adjoining lands, in consultation with "various parties."

Councillor Thronson asked if "various parties would include groups such as the Parks and Recreation Board, and the mayor said "yes, we are looking for a general outline, and would like to have council on record now so that work can get started in the administration and other sectors of municipal government."

Councillor Lukay asked if "lagoon" could be defined, and the mayor noted there was only one in St. Albert. However, Coun. Breadner suggested that the word "abandoned" be inserted in the recommendation. Motion to begin a plan for the former lagoon site north of Riel Drive was carried 7-0.

Coun. Fyfe asked what the present state is at the former lagoon site, and the mayor

noted stockpiling of earth near Riel Drive is in progress, and "now is the time to get down to planning, as some areas may need differing attention."

Coun. Fyfe asked if any overall plan would come to council on the stockpiling as to various depths, and the mayor replied that such matters come under administrative structures. Council will be involved in community services, such as rodeo grounds, if the council approves in principle the overall development of the lagoon site said the mayor. The area is 125-140 acres, and we have to look at alternatives, he added.

Coun. Fyfe enquired as to the time frame involved. "Do we look at outside consultants, or a time frame within our administrative staff capacity?"

The mayor replied that what is wanted is some policy consideration from council and that he hoped "quite soon, so that we can get on with it in 1 1/2 years - so it is not left in a closet."

Coun. Fyfe reiterated her concerns over budget restrictions and staff time.

Coun. Thronson agreed that an overall plan was needed but was "disturbed" regarding actions which pre-determined a plan. "You are already filling - I would like to know the extent, and if it carries on, what is the use of our planning?"

The mayor noted that it could just be left with sewage sludge on the bottom, or tell "them" (developers) to place soil in the east sector, as is being done. "We couldn't fill the site if we took all the fill in St. Albert."

Motion to formulate a plan for the lagoon and surrounding areas passed 7-0.

NO RESIDENTIAL NEAR RIEL DRIVE

A third recommendation from the Municipal Planning Commission was that no consideration be given to residential development of any form for the area adjacent to Riel Drive, and west of the railway tracks.

Coun. Breadner noted that the recommendation arose because of discussion of the area west of tracks which has been tentatively zoned industrial for some time. We (MPC) have had some pressure for residential zoning and wish to confirm the industrial use, he added.

"The recommendation doesn't state that zoning should be just industrial," observed Coun. Thronson.

Mayor Plain said that persons who wish to develop light industry have been turned down by owners. The land has been just sitting there since 1961, he said. "These people (owners) are doing us damage," said the mayor, "and we must get to them."

Motion carried to approve the recommendation.

Home

Cont'd from Page 1

Bridge Park) and we don't have all the facts.

Mayor Plain said he believed there were two sets of plans and costs, from the Chamber of Commerce and the Midnight Twilight Tourist Association. So if the site and soil conditions are O.K., then funds should come from

three agencies.

Coun. Thronson stated that the Historical Society, the Chamber and the Parks and Rec. Board had all looked at three different sites. "But if there is no money - we don't move it."

Coun. Wetsch asked if Bridge Park was in such a condition to accept the historic building - even if council did approve it. Mayor Plain said that for the second year three organizations (Chamber, Tourist Association and Parks and Rec. Board) have been awaiting council's decision on a site. "Our engineers have to be satisfied that the site is able to hold the building, which is only of light frame construction. "It is simply a matter of getting site work done - subject to the engineer."

Coun. Wetsch reminded council that in budgeting the building was not to cost council. "Is our decision going to frustrate the Historical Society and Chamber through more waiting - or can they proceed?"

The mayor said support funds have not been allocated by the three parties - but they have been at it for two years and become frustrated, since they cannot start without a site. This motion would allow a start. Councillor Lukay noted that budget discussions indicated that costs were too excessive for council to move the building this year. If necessary to move the building we said we would have it moved with site preparation.

We have been going over this for a year and a half or better, said Coun. Thronson, we have indicated we're behind the proposal as Mr. Lukay said. The matter came up two weeks ago, and more discussion took place. That's why I brought forth this motion.

When groups are interested in preserving the building I think it is imperative we give them some direction.

It is an inappropriate place for it, said Coun. Breadner. Motion to approve the Bridge Park location in principle carried 7-5, with Wetsch and Breadner opposed.

Hockey

Cont'd from Page 1

Coun. Wetsch supported the idea of Tier 2 hockey, but was concerned with user groups in one arena. He asked if the Bruin time slot would be sufficient for Messier and was informed by Coun. Breadner that when Mr. Messier was at council last week he said 300 - 500 would be adequate seating space. Coun. Wetsch added that Messier looks at 30 games in a year.

It is most unfortunate that a facility could not be under construction now, said Coun. Fyfe. Given the recreation input received over the past year I will not support Tier 2 as long as user groups lack time. The arena, she noted, was built by the community and for the community.

Coun. Lukay thought the Parks and Recreation Board should have another look at the situation, in the light of different information (presumably the Bruins not operating). Coun. Thronson said the Parks and Rec. Board would not consider Tier 2 until there is a new arena.

Mayor Plain said there were major constraints on time allotments, but if time is now available that the user groups would not otherwise have had, it could go to tier 2, since the groups know full well what the allocations were.

Coun. Lukay wondered if some of last year's Bruins would go to a Tier 2 team, and Coun. Breadner noted that last year Mr. Messier said he could take a few, but he was not looking for a majority from this community. We've looked at the Messier application for months now - we should make a decision, he said. And moved that the Bruin ice time be offered to the Tier 2 team.

That would mean giving a Tier 2 team, with few St. Albert players valuable time, while sending our own boys out of town to buy time - that's wrong, said Coun. Thronson.

Coun. Smith spoke for public skating time - since they are not a group she noted, they are not heard from. I cannot support another group to compete for ice time needed by many groups, she said.

Mayor Plain pointed out that the town has provided a fine public skating facility on the Sturgeon River, and has also provided outdoor rinks for minor hockey. The way everybody is talking, he said, we may as well shut down outdoor rinks. Some hockey will always have to be played outside, he added, admitting that last year was a bad one.

I would like to have Tier 2 and favour this spectator sport for St. Albert, said Coun. Wetsch. But it doesn't concern me if we don't get it now, and I will not support the motion he said, ending the discussion before the vote.

Around Town

As many young people in St. Albert have probably heard, Mel Knutson is getting married. The original wedding date was set for this Saturday, June 26. However, his plans have been altered somewhat by a severe attack of appendicitis which ended up as a ruptured appendix. Mel has been in hospital for the past week and it's not certain whether he will be fit enough to make it on Saturday or whether the wedding will have to be postponed. In any case, Mel will now be returning to Canada with his bride near the first of August rather than the end of June as was earlier anticipated.

ST. ALBERT'S OWN

St. Albert or Bust?! With a nerve jangling boom and a mighty puff of smoke this vehicle miraculously appeared in the middle of the rodeo arena at Sunday afternoon's performance. Only after much coaxing and the temptation of encountering a hot little Carmen Ghia did this nifty number stand on its hind wheels and head for the gate.

Huge crowds christen new rodeo grounds

The Kinsmen Rainmaker Rodeo 115 was even more popular than the organizers anticipated, drawing an estimated 20,000 people to St. Albert to take in the three day outdoor event. The heavy rains which occurred Saturday night had little effect on Rodeo attendance since the day's program was coming to a close when the first drops fell. If anything, the rains helped keep the dust under control for the Sunday program.

With about \$7,500 in prize money awarded to the winners in each of nine events, the St. Albert Kinsmen Rodeo drew top cowboys from all over the country. This year's sponsor, Belvedere, put up \$3,500 of this total and the cowboys fees made up the rest.

This year's Rodeo added a touch of excitement previously unknown to the annual Kinsmen event, the pony chariot and cluck-wagon races. The new half mile track was in excellent condition and the drivers were enthusiastic about it.

On Sunday afternoon the winner of the four-door Renault stationwagon was announced and although Mr. Jim Allison of Edmonton was not in the crowd at the time, he was located later that day by the Kinsmen and informed of his good fortune.

Although the Rodeo action got underway on Friday night with an evening performance at the rodeo grounds as well as the midway and a teen dance, the popular Rodeo Breakfast and

parade got things rolling on Saturday morning. The breakfast was a really great success with line-ups of 300 to 400 hungry persons at the peak period around 8:30 a.m. The Lions certainly deserve credit for cooking and serving a hearty and delicious pancake breakfast.

The parade route was lined with large crowds out to watch the 72 entries file past, bands, floats, antique cars, dignitaries, and clowns, a full 40 minutes of entertainment. The parade judges, Ray and Eileen Gibbon and John and Maureen Grave (K-40), selected the following winners: The Best Float, a Best Building Effort, and Best All Round Entry were all won by St. Albert Community League. Best Originality - Graham Realty, Best Horse Group - Klondike Square Dance Riders; Best Senior Band - Edmonton City Police Pipe Band, and the Best Junior Band - Hobbema All Indian Marching Band. The two best bands performed at the official opening later on that afternoon at the rodeo grounds.

The Rodeo events were well attended on each of the three days of the weekend, with all the available seating filled to capacity and many spectators finding their own spots from which to view the action.

Rodeo results were as follows: Saddle Bronc Riding - Melvin Coleman from Pierce Land, Sask.; Bareback Riding - Brian Claypool from Saskatoon, Sask.; Bull Riding - Jerry Walker from Wartime, Sask.; Calf Roping

- Larry Robinson from Innisfail tied with Jim Gladstone of Cardston; Steer Wrestling

- Harry Hook from Kamloops, B.C., Wild Cow Milking - Larry Lorenson, Edmonton; Ladies Barrel Racing - Dorothy Turdson from Lamont, Pony Chariots - Ed Jackson from Whitecourt, and Pony Chuckwagons - Ray Adamson from Camrose. The Best All Round Cowboy was Jerry Walker.

Rodeo Chairman Wayne Armitstead began work on Rodeo 115 last October and for the Kinsmen it's been eight months of hard work organizing a new grounds, building, erecting fences, levelling the ground for the track, putting in hydro facilities ... a lot of hard work. The Kinsmen, the companies like Standard General, the Town and workers who volunteered their time and machinery should be commended for a smooth running and efficiently operated weekend at the new site.

MLA Jamison raps Mayor - Breadner

Ernie Jamison, MLA for St. Albert, was critical of Mayor Plain and Councillor Breadner this week for "political manoeuvring on the transportation situation. Mr. Jamison believes that the mayor prompted Coun. Breadner to make the ridiculous statement that council should "turn the citizens of St. Albert on the transportation department."

It is unfortunate, said Mr. Jamison, that the mayor refuses to accept the word of his MLA and saw fit to make numerous calls to various department and government people. Perhaps the mayor is using the smoke screen technique to draw attention away from municipal government problems such as the unfortunate fact that council has not yet begun building a badly needed pool and arena in St. Albert. Mr. Jamison said.

I am aware, said Mr. Jamison, that he has seen details of a plan begun in January of this year by Ponoka council which will see a fine complex completed there by November of this year. At a figure of some three million dollars less than the plan scrapped by the citizens of St. Albert.

MLA JAMISON

At any rate said Mr. Jamison the facts of the matter are as I have stated on three occasions: 170 street from St. Albert Drive-In Theatre to 137 avenue; and 137 avenue from St. Albert Trail to 170 street; and 156 street from 137 avenue to 125 avenue will be reconstructed and asphalt paved in 1976.

I also believe that Mayor Plain may not have informed his full council at that June 7th meeting that a meeting had been arranged with Minister Hugh Horner, when the program could have been confirmed, but that the meeting had to be cancelled because of Mr. Horner's illness.

Mr. Jamison also informed the Gazette that safety on St.

Albert Trail and other Provincial Highways are being studied. He said that MLA Andy Little from Calgary would be a guest speaker at a public meeting in St. Albert shortly and would speak on highway safety including his thoughts on St. Albert Trail. Mr. Little has studied highway safety for many years and together with MLA Jamison has submitted a proposal to the transportation department for a "Cable Link Fence" stretching from 137 avenue to St. Albert.

BIRTH ANNOUNCEMENT

BOISVERT - Maurice and Yvonne (nee Vaillant) are very pleased to announce the birth of their first born, Denis Joseph, June 4th, 1976.

ANNOUNCEMENT

CONGRATULATIONS ON THE ENGAGEMENT OF KEN LOVE AND LIA COMMANDEUR.

FROM RON & KATHY

Give a deserving youngster a pat on the back.

Send your nomination now for the 1976 Alberta Junior Citizens of the Year.

Do you know a youngster who is a credit to your community? We'd like to hear the good news!

YOU may know a boy or girl in Alberta who has performed an act of courage, initiative, selflessness, and responsibility — someone on your street, in your community or on a nearby farm who deserves recognition. Help us spread the good news about deserving boys and girls in our province.

Nominate a youngster — or a group — 6 to 18 years of age for an ALBERTA JUNIOR CITIZEN OF THE YEAR AWARD. The boy, girl or group whose name you send in can qualify for this honor and the Canada Savings Bond that goes with it. Please complete the coupon below, and mail it today!

Athabasca U. appoints new president

Athabasca University has announced the appointment of a new president, Dr. W. A. S. Smith, who is currently Dean of Arts at Simon Fraser University. Dr. Smith is well known in Alberta as president of the University of Lethbridge from 1967 to 1971, and for his earlier work at the University of Alberta in the Department of Psychology, and in various administrative and planning

positions. He will take up his new position on October 1st, succeeding the retiring president, Dr. T. C. Byrne, who has held the presidency of Athabasca University since it was founded.

While at the University of Lethbridge, Dr. Smith presided over the transition from junior college to university, and established the faculty in its spectacular new campus there. As president of the Canadian Association of Deans of Arts and Science during 1974-75, he has continued his involvement in university affairs on a national scale. He has also been involved in "open college" or "university without walls" learning when he was Director of Open Degree Programs at United States International University (Makawao, Hawaii, and San Diego), in 1972-73.

Dr. Smith will put this experience to work at Athabasca University, Alberta's fourth and newest. After operating for several years on a pilot basis, the University received cabinet approval as a permanent institution in November, 1975. It is charged with providing an opportunity for University study to adult Albertans unable to attend university in a traditional manner. There are no formal entrance requirements, only a desire to attempt the course of studies is needed.

Although central offices

are in Edmonton, there is no campus in the traditional sense. Athabasca's students study in their own homes or work settings, progressing at their own rates. Students receive instruction through packages of print and other materials, and are assisted through a network of regional learning centres and local course tutors. Athabasca provides an alternative route to university education for those who cannot, for reasons of geography or family circumstance, attend the full time programs offered by more traditional institutions.

ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. A. Cairns wish to announce the engagement of their daughter Cindy to Stan Kreiser, son of Mr. and Mrs. A. Kreiser of Cadogan, Alberta. The wedding will take place August 7, 1976 at St. Albert Roman Catholic Church.

PUBLIC NOTICE THE WATER RESOURCES ACT STURGEON RIVER DIVERSION

Notice is hereby given that Fernwood Construction Company of Canada Limited has filed an application and plans under the provisions of The Water Resources Act to construct the necessary works to divert a maximum of 58 acre-feet of water per annum from the Sturgeon River on River Lot 61-54-25-4 for Municipal purposes.

Any person having a bona fide interest in the matter may file objections with the Controller of Water Resources, Department of The Environment, Milner Building, Edmonton on or before the 30th day of July, 1976.

From the fire hall

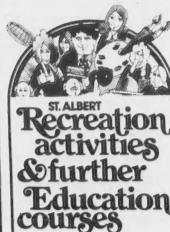

Seven members of the St. Albert Fire Department were dispatched to a grass fire following a call from the City of Edmonton Fire Department at 5:25 p.m. last Friday evening. Once the crew arrived at the scene of the fire, they realized that the fire actually involved a barn, a tool shed and a storage shed, which had already burned to the ground. The blaze had started to burn the residence of Mr. and Mrs. J. W. Bowe, of 12023 - 170 Avenue, but the St. Albert firemen acted quickly and managed to bring the fire under control, which caused only moderate damage to the house.

A number of passersby and neighbouring farmers helped the St. Albert men move furniture and other

effects from the house, and fortunately most of it was salvaged. By this time, the St. Albert detachment were running low on water, and were relieved when the City of Edmonton trucks arrived and finished off the operation.

Besides participating in the Rodeo 115 Parade, the St. Albert Fire Department had an unexpected call, when shortly after the parade, a small boy and a man fell out of the side door of a van that was passing the fire hall. Two firemen quickly rushed the injured persons to the hospital in the emergency van.

SUMMER
CREATIVE DANCE
CLASS

A creative dance class will be held for girls or boys 11 - 15 years of age for three weeks, July 5 - 23.

Classes are held three times per week on Mondays Wednesdays and Fridays from 1 - 2 and 2 - 3 p.m. Location of the class is Lorne Akins School.

Cost of the class is \$8.00 per child. Participants will require dance slippers, leotards and a gym suit. Maximum per class is 10 students.

Registrations will be accepted in person at the Parks and Recreation Office. For further information phone 459-6601.

THIS IS WHERE
IT'S AT!

Nine year old Jill Orton of 3 Garfield Place received her Bike-a-thon trophy for the highest amount pledged at St. Alexander Mackenzie from Lions member John Kaminski. Last Friday she was presented with a brand new five-speed bicycle for having the highest overall total in the event. Jill was not able to claim the bicycle until all her pledges had been collected and turned in to the Lions Club. Mr. Kaminski explained that the children do not receive credit for their pledges until all monies are collected. The co-operation of the citizens involved would be greatly appreciated.

Ukrainian culture option popular with students

Amidst a flurry of colourful costumes and bright, lively music, the Cheremosh dancers from Edmonton performed a series of authentic Ukrainian folk dances at Lorne Akins Junior High School on Monday night. The dance group was part of a Heritage Day display organized by the students in the Ukrainian culture option at Lorne Akins. The display also included folk arts such as the well-known Ukrainian Easter eggs, ceramic work, wood carvings, hand-embroidered and cross-stitched articles, and two model buildings, all made by the students.

The dance group is organized and directed by Mr. Chester Kuc from Edmonton who along with his wife was at the school to judge the work done by the students.

The group is made up of young men and women between the ages of 16 and 22 who are interested in keeping their cultural heritage alive in Canada. Mrs. Luba Kuc has played a very important role in the organization of the dance company by securing the costumes, which are as authentic as possible. In the past she has won prizes for the most authentic and original costumes. Until recently she had been able to receive many of the items directly from the Ukraine but due to a change in Soviet policy it is now impossible to do this. Mrs. Kuc has to substitute similar items more easily obtainable in Canada.

This is the second year for the Ukrainian option, reports Mr. Kenakin, the teacher of

the course. This year he has 54 students, one grade 8 class and one grade 9 class. The course is an ethnographic study of the Ukrainian people before and after they came to Canada. The students study the history, geography and ethnology of the Ukraine, they read a Ukrainian novel (translated into English), study the history and meaning behind the styles and designs found in the arts, and even learn how to cook the Ukrainian foods. Many of the activities are seasonal, focusing on such Ukrainian festivals as Easter and Christmas. The students learn the folk arts involved with each holiday, as well as the meaning behind such customs.

Mr. Kenakin said that he has had to involve the old people in the Ukrainian community because they are his only source of information in many cases. As the Ukrainian community becomes part of the Canadian lifestyle some of its traditions change with the passing of time and it is often difficult to learn the original styles and customs of the people. An example of this change is the development of new styles of egg painting.

It is hoped that in future there will be more cultural options developed at Lorne Akins. Courses in German, French and Chinese ethnology are all possible, with little difficulty in obtaining information about the people. However, at the present time it is a matter of waiting until an enterprising individual steps forward to undertake such a project.

CARD OF THANKS

THE ST. ALBERT KINETTES would like to thank all those who patronized their booth at the Rodeo last weekend. It was a great success and the Club appreciated the community support.

UNDER NEW MANAGEMENT

Monday night Mayor Plain officially opened 'Hire-A-Student Week' in St. Albert. A display and information booth is set up in Grandin Mall all this week to offer assistance both to students seeking a job and to possible student employers. On hand for the opening were Reim Selles, St. Albert Parks and Recreation; Miss Jane Gibb, regional co-ordinator for Hire-A-Student, Edmonton North West, and Miss Joanne Coulter, head of the St. Albert Hire-A-Student office. This service operates in St. Albert through the co-operative efforts of the Alberta Department of Advanced Education and Manpower, the Town of St. Albert, the St. Albert Chamber of Commerce, and the St. Albert Junior and Senior high schools.

Tourist meeting at lake

George and Laura Stephenson are hosting a joint meeting of the Midnight Twilight Tourist Association and directors of the McLennan Chamber of Commerce at their spacious cabin on Winagami Lake on Sunday, June 27, from 1:30 to 4:30 p.m.

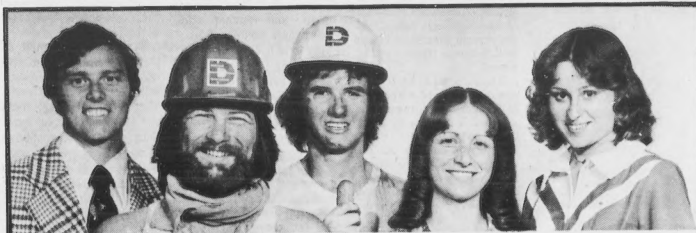

Members are invited to bring campers or trailers and

the whole family and stay for the weekend.

To get there turn north at High Prairie, at Ravine Esso, onto secondary highway 679 for about 11 miles to Winiagami Provincial Park. After entering the park gates, turn right at the park warden's office and follow the road for approximately 3/4 of a mile to George's cabin (block 5) and watch for George's sign.

THANK YOU

The St. Albert Fire Fighter, Local 2130, would like at this time to extend their special thanks to Ed Savoie and St. Albert School District No. 6 for making the rodeo parade a successful event for the senior citizens of St. Albert.

"THANKS TO YOU, A YOUNG SUMMER WORKS!"

This year when you hire a student you will help to repeat the success story of previous Alberta "Hire a Student" programs.

Thanks to the cooperation of individuals, community organizations, education authorities, the Chamber of Commerce, The Alberta and Federal Governments and, of course, the students and their employers, previous Alberta programs have been uniquely successful.

Over 300 private citizens participate in the sponsor group to organize the program in over 60 Alberta centres, and the support of the Alberta businessmen

has been outstanding. The benefits of the program over the short and long term are many. Not only has the program assisted students to find summer employment but it has also helped employers to find willing summer workers. Students have worked successfully in too many areas of the work force to mention, and over 20,000 students were employed last year through HIRE A STUDENT offices in Alberta. The program helped many students for the first time achieve a familiarity with the employment system, and created wider opportunities and permanent employment for others. To hire a student in your area, call

St. Albert
Joanne Coulter - HIRE-A-STUDENT, Office Manager
Town Hall, Parks and Recreation Dept.

Auxiliary has record year

Members of the Sturgeon General Hospital Auxiliary voted to spend \$7,900 on equipment for the hospital on Monday, June 14, 1976. This represents a record sum of money acquired over the past eight months in a variety of enterprises.

The items of equipment to be purchased were recommended by hospital officials and include a heart pacer, a fetal heart monitor and an E.C.G. machine.

Fund raising, as well as performing a service to the community, is the reason for the auxiliary's existence and this year has been an outstanding one for the members. Some new ventures were tried successfully and will be repeated again and donations increased substantially. Traditional sources of income also paid off quite handsomely.

At the last meeting in the current fiscal year President Sheila Cooper thanked her executive and the member-

ship at large for their support over the past eight months. She gave a special thanks to Mr. Maurice Howlett of Flint Crescent and the many other non-members who gave their time to help the auxiliary in its endeavours.

A special mention was also made of Shirley McQuitty, a past president and charter member who will be moving to Fort McMurray with her husband and family.

Mrs. Cooper advised members that a recently acquired display case would be placed by the hospital

elevator and that the auxiliary would be stocking dried flower arrangements in the near future.

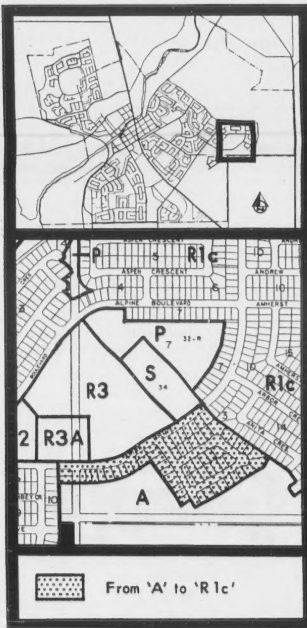

This year's executive were President - Sheila Cooper, Vice-Presidents - Betty Williams, Madeline Chuby, and Edna Hanson, Treas. Odile Lesburg, Recording Sec. Terri Gibeau, Correspondence Sec. Doreen Williams. The gift shop will remain under the capable management of Marg Jones and Jean Varner and the staffing of the shop will be supervised by Isola Desrocher.

Town of
St. Albert

NOTICE OF PUBLIC HEARING

Please be advised that the Council of the Town of St. Albert proposes to pass Bylaw No. 17/76 being a bylaw to rezone a portion of the S/W 1/4 Sec. 2-54-25-4, S/E 1/4 Sec. 3-54-25-4 and closed Government Road Allowance, as shown on the following map, from Agricultural (A) to Single Family Residential (R1C).

The proposed Bylaw No. 17/76 may be examined between the hours of 8:30 a.m. and 4:00 p.m. weekdays at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex, on Monday, July 5, 1976 at 8:00 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12:00 noon on Friday, July 2, 1976. Persons wishing to make oral representation may do so by appearing at the public hearing.

MUNICIPAL SECRETARY.

The Gazette

REFLECTS BELLECIS

The Gazette

The death penalty is abolished by a narrow margin in the House of Commons and clearly against the wishes of a great many Canadians in these violent times.

Over many years we were in favour of no death penalty, believing it a very difficult decision for a judge to have to make.

But we cannot agree now that a "civilized" society cannot impose the death penalty. Because, as we in fact a civilized society - we can no longer walk our city streets at night.

It seems Canadians and other so called civilized countries may now be looking at a situation where either governments and the system of justice are firmly in control or terrorists - highjackers - kidnapers - murderers with knives and guns - will be in control of many situations.

Severe penalties will have to be exercised and sentences carried out to the full. Even then it may take many years in Canada to persuade criminals that they really will pay dearly for their crimes.

What Caught Our Eye

By Gazette Staff Writers

From the Brooks Bulletin - OVERCROWDING THE PLANET

The human race is reproducing at a phenomenal pace and heading toward a future that appears uncertain and alarming. It took from the beginning of man to around 1830 A.D. for the world population to reach a billion. Another 100 years were required to add the next billion, but only 30 years - between 1930 and 1960 - for the third.

But it took just 15 years for the fourth billion, a figure that was reached by the first part of 1976. By the turn of the century we will be adding a billion persons every five years to pollute, congest, consume - and perhaps starve. These figures indicate huge problems on the horizon, a horizon that is getting closer and closer.

THE BRIDE WAS BLUE

Susan Baker will never forget her wedding day. The best man quarrelled with the groom and quit. The minister was hurt in a car crash to the church.

While everyone waited for a new minister, the organist was taken ill and had to go home. The florist sent the flowers to the wrong church.

At the reception, a guest knocked over the top table and ruined the three-tier cake.

There was a forced smile on the happy couple's faces when they posed for pictures. An hour later the photographer told them the pictures had been ruined by over-exposure.

That's why Susan of Elgin, U.S.A., burst into tears on her wedding day.

to the Editor

Objects to tier II proposal

As chairman of the Kinsmen Minor Hockey Association, I take strong objection to the Town Council's attempts and particularly to Mr. D. Messier's attempts to place Tier II hockey in St. Albert.

The Parks and Recreation Board called a meeting in March at which presentations were made by arena user groups, as well as a representative of Tier II. The intent was to decide whether or not there was sufficient ice time available for a Tier II hockey team. It was obvious from the results of this meeting that not only was there not sufficient ice time for another user group, but that existing groups could not operate the programs they would like under present facility conditions.

I was led to believe that the results of that meeting were passed on to Town Council, and the recommendation was to not allow Tier II hockey into St. Albert.

Why then is council asking what allocation of ice time

there is for present users of our much used arena, when this information was made available to them in March? Why is Mr. Messier allowed to continually appear before council without council advising other user groups and offering them the same opportunity?

Can this council not see that we do not have sufficient facilities to satisfy the needs of the people of St. Albert? I find it deplorable that the present user groups must go out of town and attempt to get ice time for their programs. The cost of obtaining ice time outside will be upwards of \$40 per hour in the coming year, which means a lot of expense for parents.

Council should take a look at whether Mr. Messier is looking for the best for the kids of St. Albert. As far as his statement that Tier II hockey could finance minor hockey is concerned, it is completely wishful thinking! Tier II hockey pays nothing to minor hockey for the development of players they

obtain. If anything the Tier II owners are the ones who benefit the most from the work put into hockey by unpaid volunteers.

Mr. Messier is correct in stating that the Kinsmen Minor Hockey has an interest in the Standard Generals. However our interest is limited to providing a place for St. Albert boys to play hockey after going through the minor system. No person is paid to coach or manage the team, nor has the team ever made a profit. All operating funds come from the sale of tickets and their sponsor, who picks up a very healthy tab. Kinsmen Minor

Hockey has no involvement with operating or funding the Standard Generals. However we do work closely together in attempting to provide the town with a hockey program.

Tier II hockey is far from being the ultimate in hockey at this time.

I cannot imagine that parents in St. Albert feel that their children are receiving such adequate ice time that we can allow our arena to be used by a private organization for its own profit.

Gerry Dux,
Chairman,
Kinsmen Minor Hockey
Association.

OTTAWA and Small Business

Income aids a mockery

By KENNETH McDONALD

Two years ago, Welfare Minister Marc Lalonde took his guaranteed annual income scheme to the federal cabinet. It was to cost \$1.5 billion in the first year. Finance Minister John Turner and Deputy Finance Minister Simon Reisman had reached a different estimate - \$4 billion - and the scheme was rejected.

Now that Turner and Reisman have gone, Lalonde is back. This time his scheme is disguised as income supplements for the working poor. He says it will cost "not more than \$150 million" in the first year, 1978-79. Does he really think Canadians are that gullible?

Remember the guaranteed income supplement? It was started in 1967 to close the gap for those drawing Old Age Security who were not covered by the Canada Pension Plan. First cost was \$235 million. With extensions and with indexing to the cost of living it has grown to \$1,052 billion this year. Family allowance, which cost \$548 million in 1974, were increased, extended to children aged 18, and indexed. Cost this year: \$2,007 billion. In 1971, unemployment insurance cost \$694 billion. This year it's \$3.3 billion.

Lalonde's new scheme reneues a mockery of the government's restraint program and forestalls

rational debate on a post-controls policy. He's putting the mechanism in place for another slide down the same millrace. Two compulsions are at work: the determination of the bureaucrats who've worked on the scheme for five years; and Ottawa's fixation for patching up an obsolete economic model of big cities, big business, big unions and big government.

That model, as well as the range of industries and types of jobs it contains, will be changed by external forces - high energy costs and the competition from Third World countries where hourly wages range from 15 to 30 cents. Is it Ottawa's strategy to pretend this isn't happening?

Quotas on cheap imports and Lalonde-type supplementation programs are no substitute for a viable alternative to the present defective model.

The alternative proposed by the Canadian Federation of Independent Business is a small firms model characterized by smaller-scale technology; rural industry; more independent retailing; and more decentralization of government. In other words, use our technical and innovative skills to develop a new diversity of enterprises and thus provide a more human and efficient alternative to big institutions and big welfare.

The Canadian Federation of Independent Business Inc.

Principal designate for west Grandin school announced

Elsie Ingman, assistant principal at the Ronald Harvey School has been appointed principal designate to the West Grandin Community Core School.

ELSIE INGMAN

Miss Ingman joined the St. Albert Protestant Separate School District No. 6 in 1965. Since that time she has served in the capacity of acting assistant at Sir George Simpson School and assistant principal at Robert Rundle School. In the fall of 1975, Miss Ingman was appointed assistant principal of the Ronald Harvey School. Educated in her hometown Turin, Alberta, and at the U of A, Miss Ingman took up her first teaching position in the County of Taber. She has been extensively involved in the remedial reading program in her career.

Elsie Ingman enjoys foreign travel and has been abroad in Asia. She also taught in France for two years while in the employ of the Department of National Defence. She likes weaving as a hobby.

ASSISTANT PRINCIPAL APPOINTED AT LEO NICKERSON SCHOOL

Parnel Pierce has been appointed assistant principal at Leo Nickerson School. At the present time Miss Pierce is a resource teacher at the school.

She attended the U of A where she gained a Bachelor of Education degree and a graduation diploma in Early Childhood Education.

Prior to coming to St. Albert, Miss Pierce spent eight years with the Edmonton Public School Board and one year in Northern Germany and one year in Southern Holland with the Department of National Defence.

Looking Through The Files

NINE YEARS AGO
(Wednesday, June 21, 1967)

"Interesting," "Sure different," "Graceful," "Just perfect for the building," "I don't know, I guess it takes getting used to," "lovely, just what's needed"... These are just some of the remarks made Monday evening by the guests attending the presentation by the Father Lacombe Chapter of the I.O.D.E. of its Centennial project, a Fountain to grace the new St. Albert Centennial Library.

Mrs. C. B. Linton, provincial president of the I.O.D.E. officiated at the unveiling ceremony along with Mrs. William Scott, Regent of the Father Lacombe Chapter and Mrs. L. Hole, program chairman. Mayor R. S. Fowler replied on behalf of the town.

Keith Hyland of Turner Valley had himself a real day at the St. Albert Rodeo winning the All Around Champion and High Point Champion. He was presented with the Saddle Trophy as winner of the Saddle Bronc Riding event by Mr. Nick Kalnychuk, manager of the Bruin Inn, and with the Silver Buckle presented by Don Sinclair on behalf of Ross Trucking Service Ltd. for winning High Points.

Jay Duce of the trick riding team was awarded the Canada Packer's Trophy for the Barrel racing event. Malcolm Jones, of Lethbridge piled up 64 points to top the Bareback Riding event. Dave Garstaid with 62 won the Bull Riding, a cowboy from Veteran. Barry Edge of Cochrane had top Calf Roping time of 12.4 seconds and best Wild Cow Milking time was Pat McHugh's (de Winton) 25.4 seconds.

Hyland won the Saddle Bronc Riding with 64 and the Steer Wrestling with 5.5 seconds times. Top cowboys from as far away as New Mexico, Fort Smith, Arkansas, and Albuquerque competed for the money and all but one of Canadian championship cowboys took in Rodeo 106.

A one-hundred-hour camping trip culminated a centennial year project planned by three teachers of the Simpson Junior High School students. Eric Denney, John Anderson, and Mrs. Sylvia Roberts arranged the project.

Named "Outward Bound" the project began with after school classes during winter months. Open to all students of grade eight the classes gave instruction in camping skills, proper use of camping facilities, camping safety and enjoyment of the outdoors.

By June 2, 10 students were ready for the camping trip to Pembina River Provincial Park, with tents, camping gear and food all packed. The young people, accompanied by the three teachers left after school on June 2 for four days of camping and hiking. Hiking tours included visits to Evansburg, Entwistle and the home ranch of Alberta's famous horsewoman, Gail Ross.

Cost to students taking part was \$6.65 each with \$1.00 of that amount retained for personal spending. They were Chris Brothen, Bill Gowens, Carey Wong, Steve Hughes, James Tinning, Barbara Fleming, Jan Suter, Linda Yeates, Diane Campbell, Sheryl Clelland.

This is a group of young people who benefited from the kind of extra-duty interest which communities often enjoy from members of the teaching profession and Mr. Denney, Mr. Anderson, and Mrs. Roberts are to be commended for a fine centennial project completed.

On Sunday evening, the residents of Morinville hosted a farewell tea and reception for nine members of Notre Dame Convent, representing a total of 161 years of educational and community services, who are leaving the community. Mr. Tom Houle, president of the Morinville Church Council, and Reverend Father Armand Beaupre were in charge of arrangements, and special guests, included Rev. Mother Provincial, Sister Gertrude of Edmonton, and Reverend Mother Superior from Notre Dame Convent.

The nine members of the congregation "Les Filles de Jesus" who are leaving are: Sister Odile Marie - in charge of maintenance and gardens for 43 years, will return to the Mother House in P.O. Rev. Sister Anisic - elementary school teacher for the past 34 years has been transferred to Picardville, Alberta. Rev. Sister Anna - who served 28 years as music teacher, choir director and church organist will be posted in the East. Rev. Sister Hector - in charge of the laundry for the past 22 years has been transferred to Maison St. Joseph in Edmonton. Rev. Sister Benoit - chief of cuisine at Notre Dame Convent for 13 years will take charge of the Convent kitchen in Edmonton. Rev. Sister Agnes Joseph - principal of Thibault School for the past eight years will now serve as Mother Superior at Pincher Creek. Rev. Sister Charles - high school teacher for the past six years, has been transferred to Plamondon. Rev. Sister Theresa - kindergarten teacher at Notre Dame Convent for the past four years, will be sadly missed by all her little ones. Rev. Sister Monica - student at Thibault School for the past two years, and in charge of the Alter decorating in the church.

(1) Source: Report of the Tri-Level Task Force on Public Finance, p. 37 and 38, February 1976, Volume II.

(2) Transfers received from or paid to other governments and excluded from other expenditures and revenues of each government.

Local or municipal government plays the key role in providing goods and services such as fire and police protection, recreational services, water and sewage services, urban planning, etc. to millions of Canadians. The economy could not function if the municipal governments did not discharge their duties in a responsible and business like fashion.

During the recent conference of the Canadian Federation of Mayors and Municipalities held in Vancouver, a position paper was approved which indicated that Canada's local governments have not been able to acquire the level of financial support needed to discharge their responsibilities to the Canadian populace without incurring an increasing level of indebtedness and reliance on "handouts" and conditional grants from the Provincial and Federal levels of government. The following table illustrates the gross disparity which exists between the revenue accruing to the Federal and Provincial Governments in Canada versus their direct expenditures on the provision of goods and services to the populace. The major surpluses enjoyed by these two levels of governments is in direct opposition to the major deficits incurred by the municipal governments. In effect, the local governments have responsibilities for providing services which far exceed their fiscal capacity.

The position of the Federation of Canadian Municipalities is that a common sense re-examination of revenue sharing between the three levels of governments should be carried out to minimize certain of the gross disparities in inter-governmental revenue and expenditure requirements which presently exist in the Canadian Federation. It is felt that if a tri-level conference can be held this year with Provincial and Federal governments, that some progress can be made in giving the local people resident in an area and their local governments a greater degree of control over their own affairs. As matters presently stand in inordinate amount of

local decision-making is being subordinated by the terms and conditions which the Federal and Provincial governments are imposing on the local governments through their conditional grant programs. It is suggested that the Federal and

Provincial governments must have the tax revenues needed to carry out their legitimate functions; however, the evidence that has been produced at this time suggests that these revenues are far in excess of their direct requirements. Com-

monsense suggests that more of this revenue should be left in the hands of the local governments that residents can directly influence and control.

Dr. Richard H. M. Plain,
Mayor, Town of St. Albert.

Albert Lacombe students enjoy camp

During the past three weeks there has been a flurry of activity among the Grade 6 and 7 students who were involved in outdoor education. From May 30 to June 4

the Grade 6 students (68 of them) were at Camp Van Es on Cooking Lake and all children spent a day and a night on "survival" where they built their own lean-to,

made their own fires and cooked their own supper and also learned about the various natural phenomena in the area - pond study etc. The instructors for this aspect of the camp were Jerry Ibach and Chris Neys.

Other outdoor education activities included canoeing (taught by Barry Richardson) and archery (taught by Judy Wood and Marg Thompson). Evenings were occupied with wiener roasts, nature slides, and a trip to the nearby Game Farm. The purpose of a trip like this is to provide the students with experience that they could not as readily accomplish at the school site. Student and parent evaluations returned since the experience are positive recommending continuation of the idea.

From June 14 - 18 those Grade 7 students who were in the P.E. Option classes (55) travelled to Nordegg for a "survival" camp at Gold-eye Lake. The students slept in tents, cooked all their meals over an open fire and spent the days touring around to the various places of interest in the area. The students climbed Old Baldy Mountain, hiked to Crescent Falls and Canyon, had a guided tour of the ghost town and prison area of Nordegg, visited the Ranger station, toured the old coal mine site, toured the Bighorn Dam and had sessions on canoeing, archery, orienteering and fishing.

The teachers organizing this experience were Barry Richardson, Judy Wood,

Gerry Lavigne and parent Chris Neys. The organizers are particularly grateful to the Kinsmen for the use of their bus, Father Duches-

neau for the use of his van, Marg and Pat Thompson for the use of their truck and Mr. Wells for donating the campfire grates.

Albert Lacombe teacher Barry Richardson instructed students in canoeing during their five day trip to Camp Van Es, from May 30 to June 4.

Town of St. Albert

The Town of St. Albert Recreation Department requires a Senior Clerk Typist.

The successful applicant will be required to transcribe dictation to more than average difficulty from a transcribing machine and requires knowledge of proper letter forms. Duties include answering telephone and counter enquiries, program registrations and other clerical duties as assigned. Must have a typing speed of 60 w.p.m.

Salary range: \$7,998 - \$10,208 per annum.

Please submit applications quoting competition #76/47 prior to June 28, 1976 to the Personnel Supervisor, Town of St. Albert, Churchill and Grandin, St. Albert, Alberta, T8N 0G2.

Teen news and views

By Kelly Daniels
Community Youth Worker
Town of St. Albert

The rain held for the Rodeo Parade on Saturday morning and I'm willing to bet at least part of the reason was because of all the sunshine the teen float was passing around. You couldn't miss it, it was the one pulled by an Atco Metal truck and trailer unit with a bunch of singing and clapping kids who actually "gave away the float."

You read right, about half-way through the parade they ran out of candy and balloons to give to the crowd so they started picking the flowers off the float and handing them to anyone who caught their eye. When one considers the many hours spent by these teens to build that float this act of giving takes on even more of an unselfish tone than one might expect.

The float was a project undertaken by the three local teen clubs who are operating, with different amounts of success, in the St. Albert area. In case you couldn't read the writing on the side of the float they are the East

Side Teens, St. Albert Teens, and St. Albert Youth. Each of these clubs put in equal amounts of time and money to enter the float but there are a few teens who I feel worked above and beyond the call of duty and should receive special recognition for their work. They are Jan Huggens, Rick Cole, Kim Smith, Kerry Levielle, Linda Lindstrom, Paul, Donna and just scores of other teens that space doesn't allow me to name.

It takes a teen-ager with patience to belong to a Teen Club because, as we all know, being democratic and attending meetings isn't always the easiest nor always the most productive way of doing things. But for the kids that stick out the long meetings and seemingly weeks of doing nothing the end result is always worth it. I think you will see what I mean as the summer wears on and more and more activities are listed in this column that are sponsored by teen clubs.

If you're between the ages of 13 and 18 and would like to get in on the action this summer come on out to one

of the Teen Club meetings and find out what it's all about. East Side Teens meets every Tuesday night in Room 101 of Paul Kane High School at 7 p.m., St. Albert Youth meet every second Thursday in the Library annex at 4:30 p.m., their next meeting being tomorrow, June 24, and St. Albert Teens have just to announce their meeting place but as soon as they do I'll place it in this column.

APPRENTICESHIP OPPORTUNITIES with ALBERTA TRANSPORTATION

There are many jobs available in Alberta's growing industry, but not enough qualified tradesmen to fill them. Heavy duty mechanics, welders and machinists are among the trades in short supply.

In an effort to help alleviate this critical shortage, Alberta Transportation has created 48 openings for apprentices in 1976.

This program, including on-the-job training, and classroom and shop instruction, is conducted under the Alberta Advanced Education and Manpower Apprenticeship and Tradesmen's Qualification Branch. It is for training purposes only, but most applicants, upon receiving their Journeyman papers, will be able to seek employment in the private sector, where job openings will continue to exist.

Following are the apprentice openings available, and the locations:

	H. Duty Mechanic	H. Duty Welder	Partman	Painter	Machinist	Electrician
Athabasca	1					
Edson	1	1				
Evansburg	1					
Fort McLeod	1	1	1		1	
Grande Prairie	1	1	1			
Grimshaw	1	1	1

Awards night at Lorne Akins

This evening, beginning at 7:30, Lorne Akins Junior High School will present its Awards' Night. This will be the first evening awards ceremony the school has held since the school officially opened in 1973.

Students will receive awards in the areas of academic, athletic, service, and citizenship. Laurie Root, a grade eight student at Lorne Akins, will serve as mistress of ceremonies for the program, and will have the honour of introducing Mrs. Marguerite Akins, the wife of the late Lorne Akins. Also in attendance will be Mrs. Phyllis Kittitz, a counsellor at the school and the daughter of Mr. and Mrs. Akins.

Teachers will be called upon to present some 100 awards with the climax of the evening to be the presentation of the highest

awards the school offers, the Citizenship Awards. One grade nine girl and one grade nine boy will be the recipients of these awards, which recognize the outstanding qualities of the students in the areas of academic achievement, athletics, service, participation, and general courtesy and consideration towards others.

The public is cordially invited to attend this ceremony which will be held in the gymnasium of the school. Coffee will be served following the program.

Master Corporal Donald Rowland of St. Albert, Alberta and Corporal R. C. Young of Windsor, Ontario, discuss the relief operations of the Canadian task force in Venzone, Italy, with Labour Minister John Munro. Mr. Munro visited the area as the official representative of the Prime Minister of Canada. At the height of the Canadian Forces NATO base at Lahr, West Germany, were in the earthquake-stricken area of northeast Italy. Medical aid, food preparation, water purification, shelter and engineering expertise were provided by the Canadians. Master Corporal Rowland is the son of Mr. and Mrs. George Patrick Rowland, Morgan Crescent, St. Albert, Alta. Corporal Young is the son of Mr. and Mrs. R. C. Young, 1464 Tourangeau Rd., Windsor, Ont. [Canadian Forces Photo]

New guide commissioner visits

Mrs. Kenneth P. Hayes, Vancouver, was installed as Chief Commissioner of Girl Guides of Canada at an evening ceremony Monday at University of Waterloo, Waterloo, Ontario.

Mrs. Hayes succeeds Mrs. Walter P. Gord, who has held the position since 1971. Mrs. Gord was a special guest of Tamarac Area Guides at a day camp held at Mio Wi Ka Win, St. Albert, May 9.

MRS. KENNETH HAYES

Mrs. Hayes has been a Brownie, a Guide and a Company leader. She has served on provincial councils and on the national council. Her position prior to election as National commissioner was deputy chief commissioner.

She has been a delegate to international conferences in Finland, Washington, Jamaica and Texas. She led the Canadian delegation to the 21st World Conference of The World Association of Girl Guides and Girl Scouts in Toronto in 1972. (At present the World Association is formed of 94 countries).

"To help develop responsible citizens" who are ready and able to contribute to society is an ideal to which she is firmly committed. She feels the Guiding program is in tune with this goal as it is continuously updated to meet the needs of young people.

"Guiding offers opportunities to develop skills and interests to last a lifetime," Mrs. Hayes affirms. Companionship and the sense of belonging to a world wide organization are also important factors in the success of Guiding.

Mrs. Hayes has combined her work with Girl Guides with raising a family of four, all of whom have been active as Guides or Scouts. She has lived in Ontario, Quebec, Manitoba and presently resides in British Columbia.

"YOUR COMMUNITY CHURCH"

Parsonally Speaking

Pastor B. L. Heath
First Baptist Church

When the new pastor of the St. Albert Evangelical Lutheran Church was installed Father A. Roy said, "It is so fine that their is a little bridge between the Lutheran and the St. Albert Parish Church." Father Lacombe is quoted as saying when he led in constructing the first bridge in 1862, "My friends, I am through crossing the river, walking in the mud on the bank, and pushing the scow, I'll build me a bridge. All those who help me will cross it free."

Someone said when Pope John opened the window at the First Vatican Council a whirlwind blew in. The real spiritual bride to Christian unity lies in the relationship with the Lord Jesus Christ. God the Father is described in the Bible as "God is Love." God gives us a new birth, a new heart, a new start and as we love Him a new love for all men. If we invite God to be our Heavenly Father in an act of repentance and faith, then each person that has a personal relationship with Christ is our brother. In 1 John 2:7ff "Beloved, I am writing you no new commandment, but an old commandment which you had from the beginning; the old commandment is the word which you have heard. Yet I am writing you a new commandment, which is true in Him and in you, because the darkness is passing away and the true light is already shining. He who says he is in the light and hates his brother is in the darkness still. He who loves his brother abides in the light, and in it there is no cause for stumbling."

Local men open new self - serve station on July 1st

Ron Caron and Richard 'Dick' Lafleur are officially opening their new Pacific 66 service station at 100 McKenney Avenue on July 1st. The station is of the self-serve variety with three service bays and two qualified mechanics on hand to

take care of your vehicle's automotive problems.

Ron has lived in St. Albert since 1966 and has worked as a mechanic in the area for close to 15 years. He and his wife Elaine and their five children live at 14 Maple Drive and are well known to

many people in the St. Albert district.

Dick is a long time resident of St. Albert, having lived here since 1938. He has worked as service manager for several stations in St. Albert and has made many long-time acquaintances

during this time. Dick and his wife Mirelle and their three children live at 2 Mount Royal.

Dick and Ron have worked together for about 15 years in St. Albert and have been looking for a business of their own for sometime now. The opportunity to lease the new '66 station on McKenney Avenue was just what they were waiting for.

All former customers and friends are invited to drop in at the new station and say "Hi" to Dick and Ron and maybe learn the fine art of pumping their own gas.

Accent on Akins

By Laurie Root

As the summer vacation is coming into view the 1975-76 school year is rapidly fading into the distant past. For sometime now events leading to the summary of our school year have been or will be taking place.

GRADUATION

The Grade Nine graduation at Lorne Akins Junior High was held on the evening of June 12. At 6 p.m. ceremonies took place in the gymnasium in which parents and relatives of the graduates were invited. Following the ceremonies a dance was held with "Privilege" as the music entertainment. The evening was the best ever.

On June 11 the Grade Nine's held their "Prom Outing" at Lake Eden with the help of Mr. Dukovac things were kept in order.

EXAM WEEK

On the week of June 21-25 exam week will be held. During the course of this week core subjects will be

written by all the students in the school. Beginning Tuesday, June 22 in the morning a Language Arts exam will be given. On Wednesday a Science and Social Studies exam will take place and on Thursday a Math exam will be held followed by an exciting game of softball between classes in the afternoon.

AWARDS NIGHT

On Wednesday, June 23 an Awards Night will be held in which students receiving awards will be presented with them. Such awards include academic, athletic, leadership, service, citizenship and Student's Union awards.

FRIDAY JUNE 25

On Friday, June 25 the students will be kept busy even after exams are over. In the morning a three period clean-up and locker check will be taken. Following this a box social will be held followed by a dance with the band "Hidden Sounds." The students will be dismissed at

the usual time Friday and will return Tuesday, June 29 to receive their report cards.

That ends this year's outline of events at our school.

UCW honours founding members at historic church party

**AGNES RICHARDSON
RECEIVES
LIFE MEMBERSHIP**

The St. Albert United Church was the scene of

happy reunions on Monday, June 14 as UCW members, past and present, gathered for a dessert party. The evening was arranged to honour founding members of

the original W.A.

Convenor for the event was Eleanor Campbell who opened the formal part of the evening by welcoming everyone. Ann Fee gave a special welcome to Rev. Leonard Musto and his wife Marjorie and introduced Mrs. Villett whose husband was first presiding minister of the St. Albert United Church in 1954.

Memories were stirred as Agnes Richardson read the minutes of the first meeting held by the ladies back in that same year. Hettie Blalades followed with the devotional and Phyllis Kittlitz sang beautifully a solo she first sang during the first service. She was accompanied, as she had been on that occasion, by Lois Hole, who was the very first organist in the church.

A charming ceremony followed in which two white roses were placed in a bronze vase in memory of the first President Mrs. H. Usher and first secretary, Mrs. H. J. Mitchell.

Special tribute was also paid to five founding members of the W.A. who have continued to serve in the women's work of the church generally. Red roses were placed in their honour. The

five ladies honoured in this way were Mrs. Agnes Richardson, Mrs. Marguerite Atkins, Mrs. Mary Usher, Mrs. Ethel Cuts and Mrs. Molly Bocock. The vase used was borrowed from the sanctuary for the occasion and was originally placed there by the Catherine Usher unit in memory of the late Mrs. H. Catherine Usher.

Other founding members present for the occasion and presented with rose corsages were Mrs. Carl Summers, Mrs. Doris Sumner, Mrs. Laderoute, Mrs. Barnett, Mrs. Florence Barron, Mrs. E. Head (formerly Good), Mrs. Raymond, Mrs. June Raven, Mrs. Olwyn Anderson (a past president of W.A.) Joyce and Dorothy, daughters of the late Mrs. H. J. Mitchell, Mrs. Lois Hole, Mrs. Phyllis Kittlitz, Mrs. Jean Crozier and Mrs. H. Villett.

The most moving moment came when Janis Evans, UCW president, presented Agnes Richardson with a life membership pin and certificate.

Agnes and Dan Richardson came to St. Albert in 1952. They reside at 96 Mission Avenue in the home that they built themselves.

They have two sons and a daughter. Fred and his wife and two sons reside at Okotoks, Alberta, where Fred is employed by Amico Oil Co. Bob operates a denture lab at

Vermilion, Alberta, and lives there with his wife and two small daughters. Kathleen, with her husband and two little girls also resides at Vermilion.

RECORD OF SERVICE RECOGNIZED

In 1954 Dan Richardson became chairman of the first building committee and contributed a great deal to the building of the St. Albert United Church. Agnes became one of the founding members of the Women's Assoc. first organized to assist the men in their efforts.

When the Women's Association affiliated with the Edmonton Presbytery in 1955, Agnes was one of the first delegates to bring back a report. She was secretary of the W.A. in 1956 and 1957, and was always willing to help with devotionals and work on various committees.

In 1962 when the W.A. became UCW, Agnes was named to organize a unit for Mission and Braeside area and was helpful to the general executive when a unit was finally formed. This unit was eventually renamed the Catherine Usher unit after the first W.A. president and Agnes is still a member and is presently an officer on the general executive of UCW.

With such a history of

devotion to the work of the ladies groups, it was therefore a most fitting honour bestowed to a very deserving lady.

Following the presentation Yvonne Mill gave some insight into the origin and meaning of the colourful banners displayed around the room and seen each week decorating the sanctuary.

EARLY CHOIR MEMBERS PERFORM

The evening was brought to a close with members of the original choir, led by Ethel Cuts, blending their voices in song as they had during the first years of the St. Albert United Church (then gathering in the Club Macdonald).

Sixty-seven ladies signed the guest register, including many other past members of the W.A. and early choir members of the UCW, past and present, including Elva Keith of Calgary, Pam Mykityshyn of Viking, and Fran Shultz of Edmonton, all recent members of the Catherine Usher unit and who have served on general executive of UCW at some time.

Participating in the program were Janis Evans, UCW president, Lois Folkins, UCW secretary, Ann Fee, general program convenor, Yvonne Mill, general flower convenor, Gladys Govenlock, UCW archives committee, Eleanor Campbell - convenor, and Hettie Blades, Betty Paget, Erma Hill, of the Catherine Usher unit.

It was obvious that everyone was most reluctant to conclude such a happy and memorable evening and thanks were indeed in order to these ladies who were responsible for organizing such a successful event.

INFORMATION SERVICES OFFICER

The Town of St. Albert requires the services of a trained public relations practitioner to plan, organize and direct the implementation of a general public affairs program.

As co-ordinator of all public communications activities, the successful applicant will be a mature self-motivated individual with strong management capability and the ability to plan and supervise detailed communications programs and budgets.

The successful candidate will have a minimum of three years experience as a public relations practitioner or the equivalent in special training and experience combined.

Salary commensurate with qualifications.

To explore this opportunity to participate in the development of a growing urban community, please reply with a resume of experience, education and salary history to:

The Lions Rodeo Breakfast, held in Lions Park immediately prior to the Rodeo parade, was a record breaking success. People were lined up waiting for their pancakes and sausages from 7 a.m. until well after 10 a.m. At the time that this picture was taken [around 8:15 a.m.] there were two lines, each containing approximately 150 to 200 hungry cowboys and cowgirls.

Around Town

Norma Hembroff of 40 Flint Crescent has been declared the winner of the Furniture Place contest open to anyone to write a radio commercial. The win was worth \$1,000 in merchandise and Norma will receive a new washer, dryer and stove. There were so many entries more than was expected that the firm decided to have a professional advertising person judge the entries, as store personnel would not have the extra time to review them. Norma's entry used a Fonzie theme and voice and she has been invited to see the commercial produced on Sunday.

It was abundantly clear on Tuesday afternoon the girls and boys and mums of Mrs. Tina Bannerman's grade two class at Robert Rundle School are very sorry to say goodbye to her. The youngsters managed to keep the news quiet until the appointed time and so surprised Mrs. Bannerman with a party and gift at the classroom. There were times as goodbyes were being said and thanks given for the gift, that pupils, parents and teacher were extra emotional. The Bannermans are leaving shortly to make their home at Prince Albert, Saskatchewan.

ST. ALBERT PARISH KINDERGARTEN

Additional registrations are being accepted for the 1976 - 1977 year. The registration fee is \$5.00, and registration forms are available at the St. Albert School District #3 office at 6 Vital Avenue, St. Albert. Children being registered must be five years of age before March 1st, 1977 without exception.

Sturgeon Valley ladies golf

Forty-seven ladies of the Sturgeon Valley Ladies Golf Club spent an enjoyable afternoon out on the course last Tuesday, June 15. It was a team effort in which Olga Komarnisky, Joan Yeudall,

Rosemarie Young, and Blanche Florry had a gross of 258. The consolation went to Marg Jones, Jean Crozier, Bev Matoga and Vi Tetreau with 321.

German soccer team to visit Edmonton

A German Midgets soccer team will be spending one week in Edmonton as guests of the Victoria Soccer Club. The team arrives on June 26 in Calgary and June 27 in Edmonton.

The team plays an Edmonton select midget team on June 29 at J.P. Bowl (Jasper Place) at 7 o'clock.

The Edmonton Soccer Association would like to invite all coaches to come out and enjoy some good soccer and also bring if possible their teams out to watch the game.

The Germans will also play the Victoria Midgets on July 1st at Clarke Stadium at 1 p.m. They will then participate in the Klondike Cup

Tournament on July 3 and 4. Here you will see select teams in the pee-wee-bantam and midget age groups from Calgary-Saskatoon and Edmonton. All tournament games will be played at Coronation Park. The German team comes from Villingen by Stuttgart in Germany and will be entertained by the Victoria Soccer Club and the Edmonton Minor Soccer Association.

For any further information on the Klondike Cup Tournament on July 3 and 4, please phone Herman after June 29 at 459-8233 and don't forget to bring your kids out to some of the games.

Golden pike festival

Enjoy fishing?

Your favourite hobby could become a profitable venture if you fish Lesser Slave Lake this summer and during future summers.

One of Alberta's best pike fishing locations now contains some very valuable fish - one worth \$2,000 and 10 worth \$100 each!

Slave Lake Fish and Game Association and Slave Lake Chamber of Commerce have released 11 specially tagged pike in Lesser Slave Lake and anglers who catch them between June 15 and August 15, 1976 can claim cash prizes, including \$2,000 for the "Golden Pike."

There is no entry fee or registration in the Golden Pike Festival. All one has to do is obey Alberta angling regulations, hook a prize fish, and then rush to Glen's News and Confectionery,

Main Street, Slave Lake, to have the catch verified within 24 hours.

The prize fish are tagged with a light orange coloured tag through the base of the dorsal fin. A special code is marked on one end of the tag along with a number from one to eleven. The Golden Pike for 1976 carries number 8. The other numbered fish, called "Nuggets," are worth \$100 each.

Slave Lake Golden Pike Festival will be an annual event and each year new prize fish will be tagged and released.

Complete rules for the Golden Pike Festival may be obtained by writing to the Slave Lake Fish and Game Association, Slave Lake, Alberta, T0G 2A0.

Head for Lesser Slave Lake and the Golden Pike Festival!

Chiefs take second place money in Grove tournament

Calahoo Chiefs took home second place money of \$600.00 in the annual 32-team Spruce Grove Hootenany Days Fastball Tournament in the Grove last weekend.

Chiefs lost a close 4-1 decision to McAuley Drillers in the final game of the tournament which was watched by more than 1,000 fastball fans. Drillers picked up \$700.00 for winning the tournament.

Artie Stevenson played a big role in the Chiefs' success as he pitched a total of 29 innings in the five games the Chiefs played.

In the tournament opener Chiefs scored a 10-3 win over Alberta Oil Tool coming up with 13 hits. Stevenson replaced starter Ed Kachowski in the fourth inning.

Their second game saw Chiefs score a 10-7 win over Garden Valley Raiders with Stevenson relieving starter Pete Turner in the third

inning. Mike Mitchell led Calahoo at the plate with a four for four performance. Stevenson also helped out with a three run homer.

Sunday saw the Chiefs play three games with Stevenson going all the way on the mound.

Chiefs scored a 7-3 win over their old rivals, St. Albert A's. Chiefs outshot St. Albert 12 to 4 and scored five unearned runs off losing pitcher Gene Lytwyn and Dick Bird. Emile Berube was three for four at the plate for the Chiefs.

The semi-final game against Edmonton Retail Clerks was a \$600 game as whoever won would advance to the finals.

Chiefs didn't let their many faithful fans down as they came from behind a 1-0 deficit and went on to win 5-1. Stevenson pitched extremely well, allowing only one hit, a single in the sixth inning.

Calahoo tied the score in the fourth inning on a single by Ed Kachowski and a double by Stevenson. The winning run came in the fifth on a walk to Roger Berube and a pinch hit double by brother Stubb Berube.

Chiefs added three insurance runs in the sixth on a lead-off homerun by Larry Mitchell and a two run single by Roger Berube scoring Mike Mitchell and Erwin Rothweiler.

The championship game saw the Chiefs run out of gas

to the younger Drillers who average 21 years of age.

Drillers scored single runs in the second and fifth innings before Chiefs Larry Mitchell hit a homerun deep into right field to close the score to 2-1 in the sixth.

A two-run homer in the second inning by Doug Nichol gave the Drillers the win and first place money of \$700.00.

Chiefs next tournament action sees them in Edson this weekend.

Swim meet here Sunday

The St. Albert swimming pool will be a crowded and busy place on Sunday when the Sailfish Swim Club hosts its eighth annual invitational swim meet. Summer swim

clubs will be here from Hinton, Edson, Leduc and Westlock to compete along with the St. Albert club. Five clubs will involve about 175 Please Turn to Page 18

A new attraction at this year's Kinsmen Rodeo was the pony chariot races. Sunday's performance included a couple of accidents, none of which proved to be serious or damaging

to either the drivers or the horses, but they added to the excitement and interest of the crowd.

There's got to be an easier way to earn a living! Steer wrestling is one of the toughest events in the rodeo, but the cowboys did a good job and hustled quite a few of these

sturdy animals to the ground at the St. Albert Kinsmen Rodeo last weekend.

St. Albert Recreation Report

From the Parks & Recreation Dept. MINOR BASEBALL MEETING

The Minor Baseball Association will be holding an open meeting on June 28 at the Grandin Clubhouse (next to the pool) starting at 7 p.m. All interested persons are urged to attend. The meeting will be discussing the organization of next year's program. It is important therefore to let the asso-

ciation know of any problems, compliments or suggestions that you may have. With your assistance and involvement, baseball will continue to grow and develop in St. Albert. For further information contact G. Samagalski at 459-5247.

TENNIS LESSONS

The following classes still have openings in July 12 - 23 session:
4 openings - Adult - Mon. and Wed., 6:30 - 8, Sunset.

5 openings - Adult - Tues. and Thurs., 1 - 2:30, Mission.

3 openings - Adult - Wed. and Fri., 9 a.m. - 10:30, Mission.

9 openings - Students - Tues. and Thurs., 4 - 5:30, Mission.

There are openings in all classes for the August 2 - 16 session. For further information contact the Parks and Recreation Office at 459-6601.

HIRE A STUDENT WEEK

The week of June 21 - June 25 is Hire-a-Student Week in St. Albert. During this week, the office manager, Joanne Coulter will be at the Grandin Shopping Centre. If you have job orders or wish to know more about the program, why not stop in and chat. The office will be open in the evenings from 7 - 9. Next week the office will be open everyday at the Town Hall Parks and Recreation office from 9 - 12 and 1 - 4. For further information contact Joanne at 459-6601, ext. 45.

STUDENT VOLUNTEERS REQUIRED

Interested in gaining experience for future jobs? Enjoy challenges? Our Day-camp and Handicapped programs will require volunteers who are mature, responsible and interested in helping others. These programs require individuals who are willing to assist in the

operation of a summer program from July 5 - August 20. If you are 13 years of age or older call Dave Haskett, playground supervisor at 459-6601.

TENTS NEEDED

The Daycamp '76 program is in need of family sized tents for six weeks this summer. If you know of or have a tent that you could loan to the camp please call Dave Haskett, playground supervisor at 459-6601.

CREATIVE DANCE CLASS

A creative dance class will be held for three weeks July 5 - 23 for girls or boys 11 - 15 years of age. The class will be held at Lorne Akins School on Monday, Wednesday and Friday afternoons from 1 - 2 and 2 - 3 p.m. Cost of the program is \$8 per child. Children will require gym suit and dance slippers. The maximum per class will be 10 children.

For further information contact Parks and Recreation at 459-6601. To register,

come directly to the Town Hall.

JUNIOR TENNIS ACTIVITIES

If you're under 16 years of age and a tennis addict, don't forget that Mission Courts are held open for junior open play on Saturdays from 9 - 12 noon. The town's court supervisor will be available to set up competitive play or assist with any problems you might have. See you next Saturday morning at Mission Courts.

Angles wind up schedule with win

The league schedule ended on June 17 with a game against Sturgeon Valley.

The Kelly sisters all pitched in this one with Val going three innings without letting in any runs. Brenda came in, in the fourth retiring the side 1, 21, 3. Marilyn took over in the sixth and finished off the game with St. Albert winning. The final outs of the game was a picture taking double play executed by short stop Jackie Anderson to (second) Judy Hill over to Irene Rasmussen at first.

The Angels had a great season. They managed to win 12 of 13 and had one game cancelled. Riviere Qui Barre were the spoilers and will be tough to beat in the playoffs.

Bon Accord, Horse Hill, Sturgeon Valley and Villeneuve make up the balance of the league and anyone of these teams could get a hot 'hand' in the playoffs and come away the big winners.

The Angels' roster is as follows: Kelly Ann Thayer, Val Kelly, Marilyn Kelly, Brenda Kelly, Liz Massick, Shelly Fenton, Grace Peterson, Irene Rasmussen, Jackie Anderson, Barb Anderson, Judy Hill, Carolyn Jones and Sharon Hennessey. Coaches

are Frank Vettergreen and Bob Couture and the sponsor is the St. Albert Sports Shop.

This was the first time St. Albert girls have ventured out into other areas and they should be congratulated on the fine effort they have shown.

The coaches would like to be shown the Sturgeon Minor Softball League for letting St.

Albert into their league and are already looking forward to next year. The team has met many fine ball players and the experience was invaluable both on the playing field and in the sportsmanship displayed by all of the league.

Playoff results will be shown elsewhere in the paper.

RQB wins Sturgeon league

On the weekend the St. Albert Sportshop Angels played in the Sturgeon League playoffs (18 and under). They took on Bon Accord in the first game winning a hard fought battle

which could have gone either way. Riviere Qui Barre were upset by the Riviere Qui Barre to the B side of the playoffs. Sturgeon Valley got past Horse Hill.

St. Albert then took on

Sturgeon Valley, winning that game in another tight battle. In the meantime RQB played Horse Hill taking them out of the tournament. They then took on Bon Accord and also put them out of the race. St. Albert and

Villeneuve were playing the final of A. Villeneuve tried their best against the Angels but couldn't get it together as the St. Albert team walked away with the game.

This gave the Angels the A side of the tournament and setting up the battle for the championship with Riviere Qui Barre. RQB had to beat St. Albert twice, as they had lost a game earlier.

The first game went to the allotted time limit of an hour and a half and Qui Barre managed to hold on for a 12 to 9 win. After a short break in the action the two teams took to the field again, this time going the full seven innings in the allotted time. Qui Barre picked up runs in the first innings; St. Albert fought back to even the score in the fourth inning 4 to 4. Qui Barre picked up a run in the fifth and unloaded for five in the sixth which gave them the championship. St. Albert fought hard but could only come up with another run to make the final score Qui Barre 10 - St. Albert 5.

Both teams were weary from playing four games in a day but they gave the fans a lot of excellent ball playing to watch. There were many individual stars throughout all the games which would be too many to mention at this time. However the line-up

for the winners are Sarah Van Tighen, Lori Perrott, JoAnn Brenneis, Mary Sheehan, Donna Perrott, Louise Gadoory, Ann Bodder, Myra Brenneis, Penny Streeter and Coach Rolland Gadoory. The Angels line-up is elsewhere in the paper.

The sun co-operated on Sunday, for the playoffs of the Sturgeon Girls Minor Softball League, which were held in Morinville over the weekend. Riviere Qui Barre came out on top in this game against St. Albert, Sunday afternoon.

Film program at library

The St. Albert Public Library is happy to announce a new service to the public this summer in the form of a family film program with a message plus some films for sheer enjoyment. They will be held every Wednesday in the annex at 6:30 p.m. and will be from an hour to an hour and a half in length. They will be of interest to all members of the family. The present schedule is as follows and it is hoped that we will not have to make too many changes in our film bookings.

This will in part replace the Summer Reading Club for children in that age group, but remember reading is always in at the library. Mothers with young children, watch for announcements regarding storyhours during the summer.

FILM TIMETABLE

July 7 - Temples of Time; Quiet Racket; What Kind of Feet Does a Bear Have?

July 14 - Ocean, Get Wet, Swimming for Beginners; Drowningproofing; Rainshower.

July 21 - Abyss; Climb; The Golden Fish; Ski the Outer Limits.

July 28 - Nobody Waved Goodbye; To A Very Old Woman.

August 4 - I Heard the Owl Call My Name; Arrow to the Sun.

August 11 - Bighorn; Animal Movie; Webbed Feet and Flying Wings; A Wonderful Bird Was the Pelican.

August 18 - Buttercup; Death of a Delta; Great Lakes a Matter of Survival; Water Water Everywhere.

August 25 - Garbage

Explosion; Little Man Big City; Cities in Crisis, A Matter of Survival; What on Earth; Boomsville; The Burning World.

Sept. 1 - Animal Farm; The Red Kite.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Peter T. Slight are pleased to announce the birth of their first born, a daughter - Tara Marie, on Wednesday, June 16th, 1976 at the Sturgeon General Hospital. Weight 7 lbs. 9 ozs. Our special thanks to Dr. Fairfield and Berle Cooper, attending nurse.

What's happening in the baseball playoffs?

T-BALL DIVISION PLAYOFFS

The bats, balls, tees, bases - and the coaches in the T-Ball Division have been put away for another year and the playoff championship decided - as of last Monday night.

Reigning as champions in both 1976 regular season and 1976 playoffs are the stompin Steers of Sturgeon. After caging the gorgeous Gorillas 30-10 and the fabulous Fawns 32-20, Terry Shaw's Steers had a problem in overcoming an early 13-5 lead by the galloping Goats from Grandin in the third inning of the final game to

score a 21-16 win for their 16th straight. Coach Ron Flowers Goats didn't make it easy for them.

The Lacombe Larks latched on to the consolation "A" championship out-fondling the Forest Lawn Fawns 24-18.

Coach Bob Smilanick's Giraffes reached a seasons "high" winning the consolation "B" championship from Coach Mike Boyes mighty Muskrats 26-23 Monday.

In an exhibition fun-fray the Gorillas and the Falcons ended their season deadlocked 20-20.

The champion Steers will receive their trophy in a

televised award ceremony on Cable 5 Thursday night at 8:30.

MOSQUITO DIVISION PLAYOFFS

There was trouble in the chicken yard Monday night all because of a determined herd of Mustangs. Luckily, the perch that holds the Lacombe Park Red Roosters is still intact today.

The mosquito division Mustangs, under Coach Barry Burgess almost, but not quite, had rooster pie as they outplayed the Red Roosters in semi-final action at Lions Park only to lose 14-12 in a five inning battle.

Ahead 12-4, the Mustangs were giving all they had taking advantage of faltering

pitching by their favored opponents. However, the Roosters saw "red" at the right time to come back with a 10-run rally to salt the game away. The 9 p.m. curfew rule prevented further action.

Coach Pat Lockhart's improved Eskimos never looked back in their "B" final clash with the orange-clad Orioles. They maintained their cool to freeze Coach Don Magdolin-ski's Big Birds 15-6 to advance into the mosquito finals tonight. It's anybody's game.

BEAVER DIVISION

The Pirates and the Flyers will be at it again tomorrow night as play resumes. It's the second meeting in the

best of two-out-of-three for the 1976 Beaver Division championship.

The initial tilt was played last night on diamond #4, Lions Park.

To get to the finals, Coach Dave Reiniger's skul and dagger crew belted the Braves 7-5 last Thursday to capture the A series and remain the only undefeated squad in the playoffs. Coach Al Krause's Flyers grounded the Mets 17-16 under the watchful eyes of Umpire-in-Chief Terry Shaw to advance into the final series.

This is the second consecutive year the Pirates and the Flyers have tussled for Beaver division honors.

BANTAM DIVISION

It could be all over in the

bantam division today - if Coach Arnold Bailey's Cardinals had their way about it last night.

The runner-up Cards (in regular season play) upset the league champion Braves 8-6 Thursday on the St. Albert High diamond while the last place Sportshop Cubs knocked over the Ber-mont Broncos 29-18 at Mission.

Monday night the Braves, led by pitcher Barry Thad-chuk mowed the Cubs 19-6 to advance for a second chance into the playoff finals.

A win for the Braves and play goes on for the decider tomorrow night. A win for the Cards last another season for the Braves.

Stay tuned for the final chapter of this exciting baseball story.

Fishing Tips

BY LARRY MITCHELL

Line twist: This miserable situation can bring your fishing to a thudding halt. Twisted line comes from two main causes. (1) A lure that revolves and puts twist in your line. **Remedy:** Throw away the lure or give it to your worst enemy. (2) Reeling in line while your lure is stationary, either on a snag or in the jaw of a big fish. **Remedy:** do not reel. Only reel in line when it comes freely.

To correct line twist: Troll line behind boat, or play it out in river current. If line is severely distorted, save time by putting on new line. To eliminate any possibility of line twist, use a good ball bearing snail swivel at the end of your line.

Line size: Don't use any heavier line than needed to handle the average size fish you normally catch. Suggestion: For panfish up to two pounds, 6 or 8 pound line; for garfish from 3 to 5 pounds, 10 or 12 pound line; for larger fish, 15 to 20 pound line.

Tip: The lighter the line, the better your reel will perform. Suspect your line is too heavy if you can't cast far enough.

When to change line: There is no predictable life span for a line. Abnormal wear from dirty water or an abrasive guide can shorten the life of the best line. Put on a new line when your old one starts breaking easily, gets noticeably stiff, or gives continuous trouble while casting.

Watch the terminal end: The last two feet of your line take a beating from continuous casting and being abraded against cover. Keep an eye on it, and when it looks or feels rough, cut off line until it feels smooth.

"Stop pulling my leg!"

What the song didn't tell you the movie will.

Adult activities arranged for craft camp

By Felicity Pickard

Over the past few weeks a series of articles have appeared in the Gazette on the Family Craft and Recreation Camp. This event is now in its sixth year and will be held at Wabamun Provincial Park from Monday, July 19 to Friday, July 23.

Last week some of the adult activities were covered. This week the remaining adult and teen activities will be outlined.

BASKETRY

The materials for the basketry are all collected locally on the first day. This class is taught by Annabelle Taylor who has been involved in the Craft Camp over the past few years. She has exhibited and sold baskets throughout Alberta. The home-made baskets have a gorgeous smell from the

willows and reeds and have a great deal of rustic charm. It is a craft that appeals to both men and women.

BIRD WATCHING AND WILD FLOWER IDENTIFICATION

The bird watching and wild flower identification will have the expert help of Dave Spalding. Dave is head curator of the Provincial Museum and lives at Spruce Grove. He has been involved with the camp in previous years, and his classes are hikes into the countryside. The distance of each hike varies throughout the camp week, so children can go on the shorter walks. For those interested in improving their knowledge of the local flora and fauna this is an excellent opportunity.

ARCHERY

It will be Jim Derzaph's first year at the camp teaching archery. Jim has formed a club at Spruce Grove and taught all age levels.

FLOWER ARRANGING

Dried flower arranging will be taught by Helen Barber, a professional arranger, from Edmonton. In previous years those participating in these

classes would hunt around the immediate countryside for bark, moss, twigs and grasses to be used in their creations. Many of the arrangements were beautiful and served as memorable keepsakes if they arrived home intact!

WATER SKIING

The water skiing courses will be offered by the Chestermere Water Ski Club of Calgary. The club is providing clinics around the province and will be spending the week at Lake Wabamun. The club's instructors are Rick MacPhee and Lloyd Kinkel.

SPINNING, WEAVING, DYEING

Pirkko Karvonen is a well known weaver in Alberta. She will be running classes in spinning, weaving, and dyeing. Supplies for her course can be bought at the Camp Supply Shop, but those people who have some yarns at home are most welcome to bring their own. Pirkko's assistant will be Ann Lord who is from Sherwood Park and president of Strathcona County Weavers.

PAINTING

This will be taught by Peg

McPherson from St. Albert. She has taught for Arts and Crafts Guild over the past few years and will help in whatever medium a person chooses to use, whether it be charcoal, pen and ink, water colour, pastels or oils. Acrylics, oil paints, paper and canvas will be available for purchase.

DOLL MAKING

The last activity for adults and teens to choose from is new to the camp, doll making. This will be taught by Carol Brown from the Moon Crest area. She has taught for both the Edmonton and Sturgeon Recreation Departments and has experience in many crafts.

The craft and recreation camp is for all ages, from babes-in-arms to grandparents. It is a camp where each family member can choose an activity they would like to do, and stay as long as they wish. The same class does not have to be attended all week. It depends on the activity. For instance, the sailing course does last all week; the fly-tying is a short

course, and the batik for only a few hours.

Next week June 30, activities for children will be

presented, and perhaps, the organization of the playground and nursery for the under six year olds.

Boating Tips...

Some "spare" thoughts

Many boats lack "spares" that can make the difference between a fun outing and disappointment. Probably the most often needed spare in boating is the ignition key, say the Mercury outboard boating experts. Cautious boat owners carry an extra set of boat keys in the car's glove compartment, or fasten them in some out-of-the-way place inside the boat. Another handy spare is the drain plug. Savvy boaters also carry a spare prop with a different pitch. This allows them to use one for speed and the other for load carrying, such as water skiing. It's also advisable to carry spare anchor rope and a few extra navigation light bulbs.

Sturgeon Gazette

The action is in Morinville this weekend

All roads lead to Morinville this weekend and the town is all ready for their big annual celebration.

Theme for this year's Frontier Daze is A Salute to the Olympics and the committee is sorry that due to an injury Dr. Maury Van Vliet will now be unable to act as parade marshal.

Action in the summer bonspiel got underway last week with finals slated for the weekend.

Sports fans will be on hand for the eight-team baseball tournament as well, with teams entered from Barrhead, Bon Accord, Legal, Westlock, Vimy, Fort Saskatchewan, Linares and Morinville. Finals go Sunday at noon, 3 and 6 p.m.

The Open Gymkhana is also shaping up as a big spectacular under the auspices of the Legal Poncho Riders and is sure to be a popular attraction at the grounds.

Water sports are not forgotten - be sure to catch the canoe races at Heritage Lake on Sunday morning at 11 o'clock. And for horseholic

enthusiasts, the tournament gets underway at 2 p.m. Saturday.

From noon Saturday the arena will be a swinging place with beer garden and entertainment through to 7 p.m.

The guys with the muscles will be found at the tug-of-war tourney Saturday and challenge at 3 o'clock Sunday afternoon. Bingo fans are looked after both days as well.

It's no weekend to catch up on your sleep - more fun to take in the street breakfast from 7:30 - 9 Saturday morning, before finding a spot to see the big parade at 10:30.

Then the grounds open with the midway-games, rides, kids tent and food stands - lots of things to do! Finish off Saturday with dancing - teens at the Rec. Centre swinging to the Great Canadian River Race, and adults at the cabaret at the arena where the Kiwis will be on the stand.

Fit in a few minutes either day to see the displays of crafts and home baking con-

test at the Regional Rec. Building.

Bring the family - nobody needs go hungry, with menus for every taste. Enjoy your choice at the arena, the International Food Booth, the midway. A delicious chicken supper is laid on for 5 - 7 p.m., Sunday, prior to the Grande Finale featuring Rolanda Lee at the Arena, when the popular Bob Arnold will be master of ceremonies.

Morinville sent their Frontier Daze Dollies to St. Albert last weekend to take part in the Kinsmen Rodeo 115 parade on Saturday morning. These lovely, smiling ladies will be back home in Morinville this weekend to take part in the annual Frontier Daze activities.

Report from Parliament Hill

By Stan Schellenberger MP

The recent budget, instead of providing relief from the discomforts of inflation and unemployment, promises "ingering economic hardship" - an imperceptible increment in the rate of price change and continued high unemployment. The proposals do little to pull Canada out of recession. The Government, rather than offering concrete growth stimulating, seem determined to bide time in the hope that increased trade with other countries - specifically the United States - will cure our economic malaise.

Instead of generating confidence, all the Finance Minister provided us with is uncertainty about federal intentions and a complete abdication of leadership in fighting inflation.

The promises, contained in the anti-inflation program, that federal spending would rise at a rate no greater than that of economic growth appear empty. The information gleaned from the budget presentation shows clearly that federal budgetary spending will increase by 16.3% between the fiscal years 1976 and 1977, while economic growth during calendar year 1976 will be about 14%. (A \$4.5 billion cash deficit is expected to be incurred by the Government in the current year.)

It would appear that although the federal government expects all sectors of the Canadian economy and all citizens to participate in the anti-inflation program, the federal government administration has excluded itself from participation.

In addition, the Government has failed to commit itself to restore the losses in economic growth that Canada has suffered during the past two years. In terms of what the economy is capable of achieving over the long term, the real Gross National Product, excluding inflation, was \$7.7 billion below potential at the end of 1975 - a loss of \$39 in real GNP for each Canadian.

Faced with a loss of this magnitude, the Government offered only the hope that the recovery in trade would boost real growth to five percent this year, a percentage projection that will in no way make up for the losses suffered during the past two years.

No long-term commitment

was forthcoming to restore the losses all Canadians have experienced (in jobs, income, productivity and economic well-being); in fact, there was not even a projection of growth for future years. It is felt that unless the shortfall of the past two years is recovered, the losses may be irretrievable.

The average Canadian taxpayer has been increasingly paying for the Government's heightened spending. This year alone, aggregate personal income taxes will jump 26% over last year. A few years ago, personal income taxes represented 34% of the total revenue received by Ottawa while corporate taxation represented 15%.

Today, personal income taxes supply 53% of Ottawa's revenue while the corporate sector still accounts for 15%. In short, it is not the corporate entity that pays for the spending programs of the federal administration - it is the average, hard working Canadian.

The amalgamation of Canada Manpower and the Unemployment Insurance Commission seems very reason-

able. Indeed many people failed to comprehend the logic which led to their separation in the first place. However the Government continues to highlight unemployment insurance while doing little to stimulate the economy and provide more jobs in the private sector for more people.

The Government estimates that the Canadian economy will generate more than 250,000 new jobs this year. Last year there were 350,000 new entrants to the labour force and there are likely to be as many this year. This means that the Government

is following a budgetary policy which may well add 50,000 more people to the unemployment rolls which are already at the highest level of the last 15 years.

In conclusion, may I say that I think there was general widespread disappointment with the contents of the recent budget. There is nothing to indicate federal spending restraint; there is nothing to ensure our losses in real growth are recovered; there is nothing for housing; nothing for agriculture; nothing for productivity; nothing for labour and nothing to reduce regional disparities.

Meat industry shipments increased

Shipments of the slaughtering and meat processing industry in 1974 totalled \$3.6 billion, according to Statistics Canada. This compares with \$3.3 billion in 1973 and is almost double the figure of just five years previous.

The cost of raw materials and supplies for the industry totalled \$2.9 billion for 1974, approximately 81% of industry shipments. Livestock purchases are by far the major raw material cost.

Employment in the meat

processing industry continues to increase. Production and related workers rose to 24,097 people in 1974, up from 22,714 in 1973 and about 2,700 above the 1969 level. Wages came to \$231 million.

With increasing attention on energy, it is perhaps interesting to note the meat processing industry spent \$20 million on fuel and electricity in 1974, up from \$15 million the year previous.

A fire last Wednesday at the home of Emilio Morin of 1009 - 97 Avenue, Morinville was caused when children were playing with gas in the garage attached to the residence. The gasoline caused an explosion and ignited, burning the garage and causing smoke and water damage to the house.

Dumping beef into Canada

Charlie Gracey, manager of the Canadian Cattlemen's Association has said that Australia and New Zealand are presently dumping large quantities of cheap cow beef into Canada in an attempt to circumvent U.S. beef import restrictions.

Gracey said that current prices on cow beef coming to Canada are about 25 cents per pound below that on the same beef being sold to the U.S. - with costs of shipping being if anything higher on the Canadian market. As a result Canadian cow prices are depressed to the point where large numbers of Canadian cows and heavy supplies of cow beef are being exported to the U.S.

In effect, he said, we are re-exporting Australian and New Zealand beef in a form Please Turn to Page 24

MLA meets with Vimy citizens on school problems

MLA Ernie Jamison met Monday evening with about 100 concerned parents of the Vimy school enrollment area. The meeting sparked many questions from the audience with the main emphasis being the need for a full-time special education teacher. A test conducted at the Vimy school, it was claimed by the parents, stated that 35% of the students in the grade 1 to grade 6 level were far below the provincial level in reading and writing. This test was of great concern to the parents and they are requesting special emphasis on an

extra teacher to upgrade these students. It was felt by the parents that this upgrading could be accomplished in one or two years. Mr. Jamison said that the report alarmed him too, but he felt that the tests should be looked at by the department of education. A meeting has been scheduled for Tuesday, July 6 at 8 p.m. in Vimy when Provincial officials, the MLA, concerned parents and the Westlock School Board will review the situation, and consider what action will be taken.

Calahoo has new weigh scale

The new weigh scale purchased as a co-operative venture by a group of 26 farmers in the Calahoo area last fall, was finally installed a couple of weeks ago. Cost of the scale was \$2,000 and installing costs of about \$600 were saved through volunteer labour by the farmers.

Calahoo has not had a

weigh scale in the community since the elevator was closed down and farmers have had to drive about eight miles to the nearest scale.

The scale was in use almost before installation was complete and has continued to get lots of use at a saving of cost and time to area farmers.

Morinville Memos

By Marg Bantz

The ambulance drive is still going on strong in Morinville and area and the amount already collected is \$10,000. The final objective of the drive is \$16,000, and if every family donated only \$10., the goal would be reached by the end of June. No one knows just who will need the ambulance or when, but it will be comforting to know that there is an ambulance ready with well-trained emergency workers.

The week of June 21

through June 27 has been declared "Hire-a-Student Week" in the town of Morinville by Art Stapleton. If you need a student for any kind of job including babysitting and lawn cutting, come in and see Yvonne Kieser in the "Hire-a-Student" office or phone 939.4317.

BASEBALL

Craig Manufacturers senior baseball team are tuning up for their big annual Frontier Daze tournament.

Last Wednesday, they whipped the hapless Legal team 26-5, but lost out to Barrhead 4-1 on Saturday, June 19 at the Vimy tournament. The schedule for Saturday, June 26 is as follows: 11 a.m. - Barrhead vs Bon Accord; 2 p.m. - Morinville vs Legal; 4 p.m. - Westlock vs Vimy and 6 p.m. - Ft. Sask. vs Linaia. The winners of Saturday will play on Sunday at noon, 3 p.m. and 6 p.m. There will be a game between the noon and 3 p.m. game (approximately 2:30 p.m.) between the two Morinville Mosquito teams.

Morinville Squirts lost to Gibbons 13-12 in the playoffs in Morinville over the weekend. The game was close and we can certainly be proud of their fine performance.

Men's Fastball is starting up and anyone interested in playing can contact Glen Romanuk at 939-4720.

CURLING

Morinville's Inaugural "Mid-summer Bonspiel" started this week with a splendid banquet on Thursday evening. The curling committee wishes to thank the Ladies Curling Club for putting on such a nice dinner.

First Flight winners were as follows: event - Doug Monroe (Edmonton), runner-up - Clark Hazlett (Edmonton), B event - Pat Suley (Morinville Hotel owner), runner-up - Fred Schender (Millet); C event - Marv

With (Edmonton) runner-up - Barry Olson (Edmonton).

Second Flight will be played next weekend in conjunction with Frontier Daze. Awards will be presented at the arena on Sunday evening during the Grand Finale.

Anyone interested in the canoe races should register at Heritage Lake at 10 a.m. Sunday, June 27. Races begin at 11 a.m. Categories are men's, ladies and teens and cost is \$1. per person. Two people are required per canoe. Canoes, life jackets and paddles will be supplied.

Morinville Cubs and Scouts are selling tickets on a 10-speed bicycle which can still be seen at the Red Rooster. Draw to be held during Frontier Daze.

Congratulations to Shelly and Allan Parko on the birth of their second child. Darren Allan was born at 7:22 p.m. on June 7 at the Sturgeon General Hospital and weighed 7 lbs. 8 ozs. A brother for Laura.

The Sturgeon General was certainly a busy place on June 7, 1976. Doris and Don Found welcomed their second son at 7:55 p.m. and the bouncing baby weighed 7 lbs. 4 ozs. Scott is certainly proud of his brother Jason Anthony. Congratulations to the Found family!

Frontiersman Restaurant is busy extending to make an extra 52 seatings. The extension will be ready for the Frontier Daze weekend. Cafeteria-type service will be ready for us within the next two weeks. Anne Maslyk, former owner of Anne's Part-Kitchen, is manager and her cooking is well acclaimed around Morinville.

and area.

Reader's co-operation in telephoning or bringing in news items is much appreciated.

clated, and as early in the week as possible. Please phone 939-4145 or stop in at 9901 - 99 Avenue (directly behind the Red Rooster).

JUNE 19 & 20 - 26 & 27 - Mid-Summer Bonspiel in Morinville.

SATURDAY - SUNDAY, JUNE 26 & 27 - Morinville Frontier Daze.

Albertans exhibit agri-products in Britain

The Alberta Aberdeen Angus, Hereford and Short-horn associations will be joining with their Saskatchewan counterparts to exhibit at the Highland Show in Edinburgh, Scotland and the Royal Show at Kenilworth, England.

Because of the embargo imposed on Canadian cattle and semen entering Great Britain at the moment, an Alberta cattle that were sold in Britain last year will be gathered together for the display. These cattle will include both polled and horned Herefords, Angus and Shorthorns from Saskatchewan and Alberta. The cattle will be exhibited at the Highland Show June 22 to 25 and then at the Royal Show. Alberta agri-business firms and associations will also be exhibiting products at the Royal Show in Kenilworth, England July 5 - 8, 1976. The Royal Show, the largest

agricultural show in Britain, is sponsored by the Royal Agricultural Society of England.

There are extensive displays of livestock, farm machinery, food products and flowers. The attendance in 1975 was 226,000 from 104 countries. There were 803 exhibitors.

Alberta and Saskatchewan will jointly exhibit honey and alfalfa products such as pellets and cubes. Two firms, Faith Farms of Wetaskiwin and Cypress Hill Cheese of Swift Current, Saskatchewan will exhibit mozzarella and cheddar cheese.

Four Alberta manufacturers will exhibit selected products from their product lines. Vertec Industries Limited of Vermilion will display their continuous flow grain drier, Craig's Manufacturing Limited of Morinville will show their model W-4 root windrower which is used in land clearing and reclamation projects where roots are a problem.

Beef

Cont'd From Page 23 that is not governed by the U.S. Meat Import Quotas and thus undermining their Government's attempts to protect their domestic producers.

Gracey said that the main losers in this game of international bootlegging are the Canadian beef producers - already hit hard by high costs and depressed prices, and that the main culprit for the situation is the Canadian Government which persistently refuses to act to prevent continuation of what must be considered a blatant form of dumping.

NOTICE OF PUBLIC HEARING

The Council of the Town of Morinville having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning, will hold a public hearing. The purpose of this bylaw is as follows:

That the Zoning Map attached to and forming part of the Zoning bylaw of the Town of Morinville be amended by zoning.

The lands shown below from R-R [Residential Reserve] to R-1 [Single Family Residential], R-2 [Residential Two Family], R-2M [Residential-Medium Density] and R-3 [Residential-High Density].

The proposed bylaw may be examined between the hours of 9:00 A.M. and 5:00 P.M. at the office of the Municipal Secretary of the Town of Morinville. The Public Hearing will be held in the Town of Morinville office on the 13th day of July at 8:00 p.m.

Written objections to the proposed bylaw will be received by the Municipal Secretary at the Town office until 4:00 p.m. on the 13 day of July, 1976.

Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

PAUL E. BROCHU,
MUNICIPAL SECRETARY.

Morinville Library News

Just in time for the school holiday - many new books for the children's section. Seventy-eight to be exact. All kinds to please all tastes.

Picture books, story books, games, hobbies, puzzles, painting etc., full of ideas to help make the holidays more enjoyable.

For the more serious reader there is also a good selection. A beautiful book by Fred Bruemmer called "The Arctic" a work in six

parts covering history, land, sea, plants, animals and people. A record of a way of life before both are irrevocably altered. Richard

Gordon author of the "Doctor in the House" books has written a more serious novel "The Story of Anaesthesia." An operation used to mean searing pain, dulled by either rum or opium and strong men holding the patient down until chloroform was used for the first time only about 100 years ago.

"The Eye of the Storm" by Patrick White and the "Persian Ransom" by Evelyn Anthony are both enjoyable books, the latter involving Iran and oil, romance and intrigue. "The Great Train Robbery" by Michael Crichton has been on the best seller list for a long time.

"Green, green my valley now," by Richard Llewellyn is the story of "Huw's" return to his native Wales. Some good biographies and non-fiction like "The Cosmic Connection" space vehicles, travel and communication

with intelligent beings from other worlds. These and more along with 118 paperback books purchased in March.

Books these days are very expensive and we try hard to provide the best available. Unfortunately we have the problem of people forgetting to bring their books back on time and in some cases never bringing them back.

The lone period is to be shortened to three weeks from the present month and fines on overdue books will be five cents per book per week or part of a week. As a gesture of our goodwill, anyone with overdue books can return them between June 23 and July 3 without paying a fine. Please do take advantage of this offer. We will be happy to get our books back, and happy not to have the bother of sending out reminders which in September will require a 10 cent stamp.

Good eating at Frontier Daze in Morinville this weekend

There will be an abundance of good food offered again at Frontier Daze in Morinville this Saturday and Sunday.

A special menu has been

designed to please everyone's tastes. Arena foods this year will provide several hot or cold choices. A new item being included with the hot foods is chili with a bun.

The cold items include a variety of delicious sandwiches and beverages. The popular cold plate will be offered in the Arena on Saturday from 5 - 7 p.m. Sunday at the same time a

delicious chicken supper with all the trimmings will be served. The cold plate and chicken supper will each be available for only \$2.00. This year Jeanine Chalifoux is again the department head in charge of Arena Foods.

The International Building will be serving its popular favorites including four international dishes - French Meat Pie, Cabbage Rolls, Pyrogies, and Sauerbraten. All foods have been skillfully prepared by women in the Morinville community.

In addition to the above there will be a great selection of midway foods including hot dogs, corn on the cob, fresh popcorn and ice cream.

More than beef from cattle

Cattle are more than beef. They contribute to our daily lifestyle in many other ways.

While a 1,000 pound market steer produces only about 430 pounds of retail beef, much of the remaining weight is in the form of by-products, both edible and inedible, which yield a variety of foods, pharmaceuticals, clothing and other products.

Variety meats, including liver, kidney, heart, tongue, brains and tripe, are perhaps the best known of the edible by-products. These are nutritious products, and with little waste and fat are quite economical.

Other edible by-products include fats, used in many ways, and gelatin from bones, horns and skins is used in making ice-cream, canned meats and desserts. Intestines are still used for "natural" sausage casings as well as for surgical sutures.

Inedible fats produce industrial oils, tallow and soaps. From these fats also come glycerine used in explosives, face creams and lipsticks. Bones, horns and hooves result in buttons, glues and adhesives, animal feeds and fertilizers.

The pharmaceutical by-

products are vitally related to human welfare. From the pancreas gland comes insulin, a life-saver for diabetics. One beef pancreas contains enough insulin to keep a diabetic alive for 10 days to two weeks.

Among other pharmaceuticals, thrombin from blood

helps in blood coagulation; liver extract is used with other materials to treat various types of anemia, including pernicious anemia; heparin from the lungs is an important anti-coagulant; and rennet from the stomach is used to help infants digest milk.

A free street breakfast starts Frontier Daze '76 off at 7:30 - 9:00 a.m. at the Morinville Recreation Centre. Here is a picture of the 1975 Breakfast.

Boating Tips...

VENTILATION

Gasoline fumes, being heavier than air, can collect in any confined space. While most outboard craft are open enough for natural air circulation to carry fumes away, ventilation still requires some attention. An electric blower is recommended for ventilating closed areas, particularly after fueling or when the boat has been idle for a considerable length of time. If you have any doubts about adequate ventilation in your boat, the Mercury outboard boating authorities recommend that you consult your local marine dealer.

Bon Accord News

By Sadie Allen
 Congratulations and best wishes to Mrs. Maud Kowalski on the occasion of her 80th birthday on June 27. A reminder -- you are cordially invited to an Open House in honor of her birthday at Ste. 1107 Varcona Towers, 11007 - 83 Avenue from 2 - 5. No gifts please.

TIGERS WIN TOURNEY

Bon Accord Tigers walked over their opposition at the baseball tournament held at Vinny over the weekend, downing Westlock 10-5 in the first game and Barrhead by a 10-2 score in the semi-final and Linaria by 14-6 in the final. The boys scored 12 homeruns in the three games. The team will play Barrhead at 12 o'clock on

Saturday, June 26 in Morinville. In league play, Linaria will be here on June 30 and the team will play at Rochester on July 7.

Girls fared badly over the weekend with the mites and peewees losing out in league playoffs. Calahoo won the trophy. The bantam and juvenile trophies went to Riviere Qui Barre. A pat on the back to all the players and coaches with a special one for Keith Whitson and the five 12 year olds who filled in for those five members of the bantams who spent playoff weekend at the lake!

Bon Accord Beavers (12 and under boys) wound up league play in first place and playoff against Calahoo in

the semi-finals. Mosquitoes made second place and playoff against Villeneuve in the semi-finals. Coaches for the Beavers are Roy Malanichen and Myron Schneider while Jim Draper is handling the Mosquitoes.

BEEF CLUB PLANS SALE

The Bon Accord 4H Beef Club held their meeting on June 16 in the Bon Accord School. The main business of the meeting was the 4H show and sale to be held July 7 and 8. The club show will be held in the Bon Accord Arena on July 7 at 2 p.m. The calves will then be trucked to Edmonton for the Edmonton and District 4H show and sale. The calves will be auctioned on July 8 at 6 p.m. The public is invited to attend. By buying a 4H calf you are not only getting top quality young Alberta beef, you are also helping to support a 4H member who has worked hard to feed and care for the animal throughout the past winter. If you wish to purchase a calf for the freezer, arrangements have been made to handle these orders. By attending the show and sale you may bid on the animal of your choice. If you are not able to attend, but would like to support the 4H members by buying a calf, you can place your order with the 4H leader, Taras Ferbey. Arrangements have been made to have the steers picked up, slaughtered, cut and wrapped by Schultz and Son Frozen Foods Ltd. For further details re. purchase of a steer, contact Mr. Taras Ferbey at 921-3526 or 921-2140.

In conjunction with this weekend's Goat show, the Bon Accord Art Club will be holding a show and sale of paintings in the mezzanine of the arena. The show will feature the work done during the past year.

Along with several other interesting exhibits this

weekend will be a photography display set up by Ken McGregor. Anyone with a weakness for African Violets will be delighted with the variety of Nettie McDonald's stall.

SOCCER TOURNEY

On June 26 a mini-mite and peewee soccer tournament will be staged and on Sunday a mite and bantam tournament will be held. Teams involved will be from Bon Accord, Gibbons, Nampao, Ft. Saskatchewan, and possibly St. Albert. Games get underway at 10 o'clock. An exhibition game on Saturday evening will feature the men's teams from Bon Accord and Gibbons.

The eight and under soccer team - the Speedsters - wound up the first half of the season with a 5-1 record.

losing that game to the Bon Accord Blazers who finished the season with a 6-6 record. Bill McDonald, coach of the Speedsters and Mike Hartley, the Blazer coach, wish to thank the boys for their fine co-operation throughout the season. In the fall the two teams will be split to form a mite team.

The mini-mite T-ball League final was held at Bon Accord over the past weekend. Two teams from Bon Accord and one team from Nampao were involved, with the teams from Bon Accord finishing first and second in the playoff. Each team played two games. The Bon Accord Jets won the Kodiak Electric trophy which was presented to Coach Don Serediak by the league president, Mr. Frank Bibaud. A sincere thank you is ex-

tended to Bomber coaches Ken Kobi, Toni Bruneau, Dave Herman and Ed Yohemas and Don and June Serediak and Don and Lynda Bland who coached the Jets and to all the little players for their enthusiasm and co-operation.

Tickets on the 1977 Maverick and bang-up banquet and dance are now available from Don Bland and members of the Community Centre Board. Buy yours now and get in on the Early Bird draw for \$25. draw July 10. Senior baseball will be the feature attraction here on July 10 and 11. Plan on supporting your community that weekend.

Welcome home to Pauline and Nigel Mansfield from a three week holiday visiting with family in Britain.

Bon Accord sets mill rate for current year

At the regular meeting of council held June 15, budget estimates were given final consideration and Bylaw #82 was passed setting the mill rate for the current year as follows:

Commercial Property and Vacant Land - 71 mills.
 Residential Property - 35 mills.
 Millrate Breakdown
 School Supplementary 23
 Municipal 32
 School Foundation 16

Tax notices will be mailed July 1st.

PLAYGROUND

The summer playground program will be held again this year, but for the month of July only. The reason for this is - reduced funding from the S.T.E.P. program.

Commercial & Vacant Land	Residential
23	23
32	32
16	--
71	55

However, plans are being made for the playground to operate two half days per week during the month of August, with funding for this portion of the program coming from Sturgeon Regional Recreation Council.

COMMERCIAL DEVELOPMENT

Council has recently entertained enquiries and proposals for commercial development on Blocks 7 and 8 - properties running east and west of the Post Office. No permits to construct have been issued as yet.

ROAD SURFACING

"Prices for hot mix road surfacing have been investigated by Council but the cost has proved to be prohibitive at present. Council has decided to look into the possibility of more cold mix surfacing for the current year.

WATER & SEWER EXPANSION

A special meeting has been called for June 29 when lagoon and water supply expansion will be discussed with Mr. John Bassett-Smith village engineer.

Alberta Hereford Week announced

Agriculture Minister, Marvin Moore, has announced that July 3 to 9 will be declared Hereford Week in Alberta.

The Hereford breed has played a very prominent role in the development of the livestock industry in Alberta. Herefords, introduced in Alberta at the turn of the century, have maintained their importance in an expanding and changing industry. Hereford cattle, in 1974, represented 40 per cent of the total registration of purebred cattle within the province and currently there are over 60,000 purebred cows registered with the Al-

berta Hereford Association.

This breed of livestock has many characteristics that enable it to adapt well to range conditions, including the ability to survive under severe winters, to put on weight while on grass, and to be fertile even under adverse conditions.

Alberta Hereford Week is a commemoration of the 1976 World Hereford Conference. During Hereford Week delegations from over 20 countries will be visiting Hereford ranches and attending the World Hereford Sale and Conference in Banff and Calgary.

Minor softball tournament held in Morinville

On Saturday, June 19 and Sunday, June 20, the Sturgeon Minor Softball League playoffs were held. A total of 31 teams participated in the four age categories, during the two-day event.

Calahoo showed some good ball playing by capturing two of the four categories. Their teams won both the 10 and unders and 12 and

unders. In the 14 and unders, Riviere Qui Barre triumphed with a hard fought 20 to 18 victory over Morinville Blues.

Prior to this final game, RQB had played two games back to back, while Morinville had played three games in a row. So by the time the final game terminated, there was a lot of

tired girls. In the 18 and unders, RQB overcame St. Albert twice, to

capture the honors. This category guaranteed teams two games, with the winner

of "B" side having to beat "A" twice, to take the first place honors. RQB did just that.

The other three categories were of the single elimination variety. A special thanks to

the Cardiff Women's Club for having concessions and to Janice Lamb and Charlotte St. Germain for all the help they gave in making the playoffs the success they were.

Hereford conference attracts breeders

One of the largest beef breed shows ever to be held, the World Hereford Conference International Show, will take place at the Calgary Stampede Corral, July 8 and 9.

A total of 733 Herefords will be exhibited in this show which forms a focal point of the World Hereford Conference, Banff, Alberta. Breeders from eight provinces and several American States have entered their Herefords in the show which opens the 1976 Calgary Stampede.

The Canadian Hereford Association, host of the World Hereford Conference and International show, anticipates attendance of 3,000 throughout the two-day event. Also, a significant number of commercial cattlemen and farmers are expected from Canada and the United States.

Throughout the event, horned and polled animals will be judged separately, though they will be in the ring simultaneously. Polled Hereford Judge W. W. Donaldson, Louada Farms, Peterborough, Ont., will be assisted by Judge Ron Pitchford, Pleasant Valley Polled Herefords, Pleasant Valley, Sask. In the Horned Section, Judge George Edgar, Little Red Deer Hereford Farms, Innisfail, Alberta, will be joined by Assistant Judge Joe Rogers, Pentlton, B.C.

"This Show is important because it is a representation of high quality North American seedstock," said Duncan Porteous, secretary-

manager of the Canadian Hereford Association. "It provides an opportunity for Canadians in all phases of the business to meet and exchange information with international cattlemen."

"We encourage non-live-stock people to participate in these events," said Mr. Porteous, "in order to gain a fuller understanding of this breed, the breeder, and the cattle industry."

Safe! First base was the scene of a lot of action, during the Girl's Sturgeon Softball League playoffs held in Morinville over the weekend. This picture was taken of the 14 and under age category in which the Riviere Qui Barre team came out the victors.

Some of the action on third base during the 18 and under category of the Sturgeon Minor Baseball League playoffs, this game between the Riviere Qui Barre team and the team from St. Albert, showed the Qui Barre team coming out the winners.

"WE SELL THE BEST AND SERVICE THE REST"

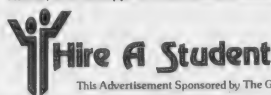

**"THANKS TO YOU,
A YOUNG SUMMER WORKS!"**

This year when you hire a student you will help to repeat the success story of previous Alberta "Hire a Student" programs.

Thanks to the cooperation of individuals, community organizations, education authorities, the Chamber of Commerce, The Alberta and Federal Governments and, of course, the students and their employers, previous Alberta programs have been uniquely successful.

Over 300 private citizens participate in the sponsor group to organize the program in over 60 Alberta centres, and the support of the Alberta businessmen

has been outstanding. The benefits of the program over the short and long term are many. Not only has the program assisted students to find summer employment but it is also helped employers to find willing summer workers. Students have worked successfully in too many areas of the work force to mention, and over 20,000 students were employed last year through HIRE A STUDENT offices in Alberta. The program helped many students for the first time achieve a familiarity with the employment system, and created wider opportunities and permanent employment for others. To hire a student in your area, call

Legal Locals

By Connie Maurier
We are happy to announce the winners of the raffle held on June 1st at the Brownies and Guides banquet; the first prize, a 15 piece ovenware sponsored by the M & A Confectionary was won by Dean Hall of Legal; the second prize, a hand tooled girl's purse, sponsored by Dan Montpetit, was won by

Leo Prefontaine of Legal; the third prize, a steel wagon sponsored by Legal Revelstoke was won by Denise Tieule of Legal; the fourth prize, a three-dimensional picture sponsored by Legal Co-op was won by Helen Karan of St. Albert; the fifth prize a dinner for two sponsored by the Legal Village Coffee Shoppe was won by

Gordon M. Anderson of Edmonton; the sixth prize, Avon "Timeless" cologne sponsored by Vivian Pelletier was won by Nicole Quelette of Legal.

The raffle was a great success and we congratulate all the lucky winners and thank all those who supported the Brownies and Guides raffle.

Parents be advised that the Recreation Centre playground will be opened this summer to all children six years of age. The registration for this summer's activities will be July 6, the first Tuesday in July and the fee will be \$3.50. There are organizers hired to be responsible for the children during the scheduled hours. More information will be available in the near future.

making a float to be entered in the parade for the Fete au Village. Then the members were notified that the special jackets which were ordered a while back would be ready for the middle of July. Crests for the jackets were already ordered.

The K.C. members will be given each a number of tickets to be sold for a raffle

of a \$1,000 cash prize to be drawn Sunday evening in the arena during the program at Fete au Village. The proceeds go towards Legal Citadel Park.

This was the last reunion for the season. New business was not brought up. All members are wished happy and safe holidays and the meeting was adjourned.

FETE AU VILLAGE

On June 15 a special meeting took place at the Centre to organize the schedule for the two-day Fete au Village, July 24 and 25. Anyone wishing to get information about the following activities can contact the individually appointed people. The following list should be of help:

Parade - Marcel Dube; Entertainment - Lucienne Montpetit and Germaine Nault; Tickets - Knights of Columbus; Gymkhana - Dave Shelton; Advertising - Leon Brison; Horseshoe - Dixon Keane; Demolition Derby - Ralph St. Jean.

For information about other activities please contact Omer Pelletier 961-2279.

It was agreed at the meeting that a big wooden sign will be made to advertise Fete au Village. It will be posted just off the highway at Legal Corner. Ray Ouellette will be responsible.

Mrs. Germaine Nault advised that there is still room available to anyone wishing to perform on the bandshell Sunday afternoon. Also there will be a puppet show Saturday and Sunday. The beer fest entertainment will include a popular band, magician act and banjo player.

It was advised that O.K. Radio will be on location Saturday from 1 - 6 p.m.

Charles and Laura Mahe are proud to announce the arrival of their fourth son born June 15th. Paul weighed 7 lbs. 4 ozs. and will be brother to Todd, Ken and Chad. Congratulations to the parents.

There will be a social evening given in honour of Gerald St. Martin and Lorraine De Champlain on Friday, June 25 at the Legal Community Hall. Everyone is invited to attend this occasion featuring music by the "Lets Boogie." Lunch and drinks will be available to all.

The Knights of Columbus held their regular monthly meeting on June 19 at the Recreation Centre. Grand Knight Norm Letourneau led the reunion and discussion.

The Chaplain, Father R. Bissonnette, presented a good word of advice as usual, this time the topic being "To Be Prudent During Holiday Season." Then the members were advised about pamphlets called "Sunday Mass Times Throughout Alberta" compliments of the K.C.'s. They were distributed at church Sunday after the masses.

A good report on the annual convention which was held in Lloydminster was presented by Roger Gagne. The theme of the convention this year was "Family Unity."

It was agreed that the Legal Council would be

The weekend of June 5, 1976, Legal students were hosts to 35 Groulxville students who had been on an extended 10-day trip to the Southern regions of the province. Legal was their last stop before going back home.

Shower held for Lorraine De Champlain

A ladies shower was held on Sunday afternoon, June 13th at 2:30 p.m., for Miss Lorraine De Champlain. It was put on by her bridesmaids Margo Laberge, Pauline De Champlain and Marie St. Martin.

The shower began with the walking in of the bride-to-be, Lorraine, with her mother Dorothy De Champlain, the groom's mother Louise St. Martin and the grandmothers - Kathy St. Martin, Rosa De Champlain, Eva Therberge and great-grandmother of the bride-to-be Mrs. Madeleine Casavant. Marie St. Martin sang a song

for the bride-to-be and was accompanied by Elaine Bilo-deau on piano. A few games were played and also the opening of all the beautiful gifts. After a nice speech from Lorraine everyone helped themselves to a very beautiful lunch. One hundred ladies were present which made it a very nice shower. A door prize was given at the end of the shower which was won by Germaine Nault. We thank everyone who helped prepare the shower and also a thank you to all the ladies who came to make it a beautiful shower for Lorraine.

Gibbons News

By Karen Hogg

Well the Souths are back! Patsy and Joe Morin and Janice, John and Jillian Graham just returned from a three week vacation in England and Scotland visit-

ing relatives and friends. This was Joe's first trip back in 30 years and Patsy's second trip back to the old country. They all had a fabulous time and wish the holiday could be longer. Welcome home!

FASTBALL SCORES

June 15 - Gibbons 12 - Bon Accord 9; June 17 - Gibbons 36 - Oliver 1. Playoffs begin June 26 and concludes June 27. Gibbons is last for these playoffs. There will be seven games Saturday the 26th and three

or possibly four Sunday the 27th. Game times Saturday are 10 a.m., three games 1 p.m., two games; 4 p.m., two games, Sunday 10 a.m., 1 p.m. and 4 p.m. if needed one more game will be played at 7 p.m. The arena will be open for refreshments. So lets all go and

cheer our girls on to a victory this weekend.

Please be advised that as of Monday, June 14 the Gibbons Co-operative Insurance will be located at the Alberta Wheat Pool Elevator at 923-2430 from 8:30 a.m. to 5 p.m., five days a week. Mr. Gorgichuk will be happy to

serve you at his residence after 6 p.m. at 4922 - 47 Street or phone 923-2422.

Jeannine Rowsell would like to remind everyone of her ceramics class to begin the second week in September. For more information or just to let Jeannine know your interested phone 923-2478.

In conclusion, the Fair Committee is already looking forward to next year's Agri Fair, which promises to be even better than this years.

Crozier - Russell wedding

By Norma Crozier

An Open House followed by a wedding dance was held in the Namao School Gymnasium on June 11, 1976 honoring Mr. and Mrs. Lee Crozier. Lee and Sherry were married on January 6, 1976 in God's House of All Faiths and People in West Deptford, New Jersey, U.S.A. At the evening ceremony the bride was attended by her sister, Mrs. Donna Morris and Mr. Leslie Crozier was

his brother's best man. Ushers were Billy Morris, Bobby Collyard and Gordie Brooks.

Out of town guests who attended were the bride's parents, Mr. and Mrs. L. H. Smith of Winston-Salem, North Carolina, the groom's parents, Mr. and Mrs. Hugh Crozier of Namao, Alberta, the groom's aunt and uncle, Mr. and Mrs. Clayton Crozier of Namao, Alberta, the bride's sister and her hus-

band, Mr. and Mrs. W. J. Morris of Winston-Salem, N.C., and the groom's brother Les of Namao. The Philadelphian Elsie hood, a team, which Lee and Les were members of were also in attendance.

At the reception held at the Forest Creek Apts. Clubhouse in West Deptford Les acted as master of ceremonies and Mr. Clayton Crozier proposed a toast to the couple.

For the wedding dance the Namao School Gymnasium was decorated with blue streamers and bells accented by baskets of lilacs. Mr. Leonard Crozier acted as master of ceremonies for the evening. Attending were special guests the groom's grandparents, Mr. and Mrs. Lee Potter of Sunnyside and Mr. and Mrs. Harry Auton of Edmonton, Alberta.

Mr. and Mrs. Lee Crozier are making their home at Namao, Alberta.

Look for
Homeowners
policy that'll
keep up with
the times. Un-
der many Home-
owners policies
you may find
yourself alarm-
ingly short of in-
surance. How-
ever, if you have a
SAFECO Home-
owners policy, you don't
need to worry. Because
SAFECO's automatic ap-

preciation fea-
ture guarantees
replacement
costs at today's
costs--new ma-
terials for old--
up to the limits
of your policy.
So you'll get dol-
lar-for-dollar re-
imbursement--
not eighty cents
on the dollar.
And that's just one more
reason why you can almost
always save with SAFECO.
